

EHNINGER AND CAMP GET OVER 195 AVERAGES

American Legion Five Crawling Up on Pitcher's Boosters Who Are Leading League.

Guy Camp and Herb Ehninger hit the pins at the Dicke Alleys last week with a vengeance, each of them getting big counts in the Downers Grove Bowling League. Ehninger had a shade the best of it scoring 214, 170 and 205 for an average of 196 1-3. Camp marked 224, 152 and 210 being three pins behind Ehninger with an average of 195 1-3.

Pitcher's Boosters are still hugging the top of the percentage column with the American Legion men slowly crawling up on them. Three teams, Klein's Richelieus, Swearingin's Pace Makers and Dicke's Climbers are tied for third place.

The Climbers fattened their average last Thursday by taking two out of three from the East Ends who dropped to sixth place during the process.

The Boosters captured three from the Progressive Five winning the middle game by only 17 pins in spite of the fact that Capt. Vix marked but 108.

The Mills Printing Co. succeeded in getting one of their games with the Pace Makers, but lost the other two by big scores.

The Legion Five decisively licked Klein's Richelieus Friday evening, taking three straight. This puts them second in the standing and relegates the co-ee drinkers to third place. Nash slaughtered the wood in his second game for a total of 226.

The Curtiss Theater easily holds the lead in the Minor League having dropped but one of the twelve games rolled. Two teams, Clarke's Clean Ems and the Puffer Pharmacy are tied for second place and four fours, the Downers Grove Reporter, Nash Groceries, Kidwell Garage and Dicke Theatre, are neck and neck for the third position, with the Odd Fellows bringing up the rear.

Henry Tank, bowling with the Puffer Pharmacy, was high man for the week with scores of 178, 135 and 163 for an average of 160 1-3.

Safranski with the Curtiss Theatre had the chance of his young life when he opened with 201, but being one of these w. k. in and outers he fell down in the second game to 115 and came back with 142.

DOWNERS GROVE GETS CITY MAIL DELIVERY DEC. 1

Pay of Carriers Increased—Does not Mean Better Delivery or More Carriers.

Downers Grove, which has been struggling with "Village" mail delivery for a number of months will go into the "City" class on the first of December, but it doesn't mean anything, only to the carriers.

We understand from John Downer, our postmaster, that no more carriers will be put on and that the new system only means additional pay and not better service. The carriers under the city plan start with \$1400 a year and the pay is increased \$100 a year until it reaches \$1800. They will be then compelled to wear uniforms.

There is just one ray of sunshine. Arrangements will be made for the delivery of parcel post packages.
