FOURTH ANNUAL RED CROSS ROLL CALL NOV. 11 to 25

Four Ward Chairman Appointed to Receive Membership Renewals in Downers Grove.

Memberships in the American Red Cross are now being renewed. The fourth Roll Call from November 11 to 25 is now in progress and those who desire to keep on helping this wonderful organization can send their dollars for membership to their ward chairman.

Downers Grove has been apportioned according to the natural ward boundaries with the following women in charge of their wards.

Ward one—Mrs. J. D. Gillespie, 94 Fairmount ave.

Ward two—Mrs. H. P. Jones, Gilbert ave.

Ward three—Mrs. Frank Keiser, 118 Saratoga ave.

Ward four—Mrs. A. B. Snow, 173 Highland ave.

Hand the \$1.00 to one of these ladies so that we may have a part in the great work that is being done

through the organization, in peace as well as in war.

Also, let us remind you of the importance of purchasing Red Cross Seals for Holiday season in Downers Grove. Sixty per cent of the money collected here is returned to this county to assist in paying the expenses of the County Nurse, who looks after persons afflicted with the White Plague. Several children have been helped in this community during the past year, at no expense to the village. The work is worthy of our support.

If our town is not already on the map—the American Red Cross will put it there. This is the attitude of

Mrs. Katherine M. Briggs, the director of suburban activities for the Fourth Annual Roll Call of the American Red Cross. Out of 187 towns which are in Cook, DuPage and a part of Lake County, over 137 have Red Cross Chapters.

Over 2,000 of the 3,659 American Red Cross are still engaged in completing some form of the war work. Last month in Chicago over 6,000 handicapped service men received help from their Red Cross. Rent must be paid, food and clothes supplied for themselves and their families, until they are re-established. Your Red Cross dollar membership

is a symbol of loyalty, and expression of gratitude.

Pin your dollar to this Sign your name..... And address..... And send to the woman who has charge of your ward.

Pronunciation of Z.

The pronunciation of the letter Z as zee is an Americanism. The English pronunciation is zed, from the Old French zede, which in turn is derived from the Latin zeta, the name of the sixth letter of the Greek alphabet, corresponding to the English zed. Shakespeare in King Lear, act II, scene 2, gives the English pronunciation, which is still in vogue: "Zed! thou unnecessary letter."
