ble, and it is needless to say, that Frank showed them all of that great Chicago of the west. The greatest wish of the Frisbies is that they might annex Downers Grove and their friends to their adopted city.

Anyone, sixteen years of age or older, may become a member of the club. Those desiring to join are invited to confer with the officers-elect of the organization for further details.

**PROCEEDS FROM

BUY PIANO**

Fine Instrument Purchased for the North Side School by Miss Scheel.

Miss Scheel, Music Supervisor of the Downers Grove schools, has purchased a fine upright piano to be used in the north side school building. The original price of the instrument was much more but Miss Scheel secured it from Lyon & Healy at a greatly reduced price for the use of the school. The price paid was \$225. Most of the money for the purchase of the piano was the profit from the "Musical Entertainment" given by the grade scholars several weeks ago at the high school under the direction of Miss Scheel.

**CONGREGATIONAL
CHURCH HOLDS ITS
ANNUAL MEETING**

Officers Elected. Reports Show Progress, Enthusiastic Plans For Coming Year.

The annual meeting of the Congregational Church was held Wednesday night, at which time reports of the work done in 1920 were presented, showing a splendid interest in all departments of the church life.

The note of optimism regarding the prospect for the coming year was apparent, the reports showing that there was already evidenced a new impetus, and growing enthusiasm. The finances were found to be in exceptionally good condition, and the response to the appeal for subscriptions for the support of the work was reported as having been especially gratifying. Practically the entire amount necessary was pledged on the day of the every member canvass three weeks ago.

Mr. D. P. Chindbloom, a business man of Chicago, was the principal speaker, delivering an address on the subject: "The Business Man in the Church." The pastor, the Rev. Arthur S. Phelps, was the moderator of the meeting and took occasion during the evening to suggest some of the plans which could be made to further the work of the church. A very pleasing feature of the evening was the splendid dinner served by the Ladies Aid Society. It is unnecessary to state that every one participated in this part of the program.

The Sunday School orchestra rendered an especially well balanced musical program. This added to the enjoyment of the occasion as did also the pleasing vocal solos by Miss Bessie Nash and Mrs. Walter Barry. The following officers were elected:

- Deacon—M. W. Mills.
- Trustee—Edw. F. Lacey.
- Clerk—S. E. Felton.
- Music Committee—Edw. C. Graves.
- Head Usher—A. C. Miskelly.
- Auditors—Walter Johnstone, Oscar Carlson and Chas. Heinke.
