

### Did You Ever Pay the Same Bill Twice

If you have, you didn't enjoy the experience. You resolved, no doubt, to always keep RECEIPTS hereafter for every penny you pay out. That is a good resolution. But you should decide now that these receipts shall be in the form of cancelled checks—the best form of receipt it is possible for you to hold.

The team plans to play its games at the high school gym and in order not to conflict with the high School's schedule, all home games will be played on Saturday night. A tentative schedule is being arranged which includes games with Hinsdale, Wheaton, Naperville and a number of the strong Legion teams from Chicago.

The Legion is anxious that all men who have had basket ball experience will report for the team. Practice is held Thursday nights at the high school gym. The squad is in charge of Ted Curtiss who is also booking the games.

As to the amount that each should give in order to do his share toward one of the greatest humanitarian enterprises ever conceived, it has been figured that forty cents per capita would cover the amount needed.

Local pastors will open the drive here next Sunday by offering special prayers for the success of the drive and by announcing from their pulpits during the Sunday services the necessity of America doing its share in the great work of saving the lives of little children.

Those who desire to pay direct can leave money or checks at the First National bank. The checks should be made out to "European Relief, Downers Grove."

The solicitation will be done by the following people who have promised to aid in the great work.
