CARD OF THANKS

We wish to express our heart felt appreciation of the many tokens of love and sympathy shown us by kind neighbors and friends during our recent bereavement.

Mrs. M. E. Turnbull and Family.

Gulf Stream.
The Gulf stream is more rapid than the Amazon, more impetuous than the Mississippi, and its volume more than 1000 times greater. The waters are blue, and the line of junction can be easily marked by the eye.

LOCAL BOWLERS ENTER TOURNAMENT AT AURORA

Stated on Alleys in Fives, Doubles, and Singles Sunday Afternoon and Evening.

Two local five man teams are entered in the Northern Illinois Bowling tournament now going on at the Sylvendell alleys in Aurora and will roll their strings next Sunday. The five man teams are slated to go on the drives at 3:00 p. m. and the doubles at 7:00 p. m.

It is expected that many fans and bowlers will accompany the two teams to see if a little noise will help them in getting the wood. Any local followers of the sport who contemplate going can get the 1:28 train west.

Those who are entered are: Kidwell Garage—Al Stump, Henry Holst, George Duncan, Grant Nash and Charles Mrkvička.

Dieke Tool Co.—C. H. Dicke, Albert Vix, George Vix, Albrecht and B. E. Balczynski.

All of the men have been paired off for the doubles and all are entered in the singles. George Duncan, formerly of the Grove but now of Chicago, was one of the old stand-by bowlers of the local All Star aggregation and with them has rolled in several tournaments at Aurora and in the A. B. C. at Toledo. He is a consistent shooter and is paired with Grant Nash in the doubles.

It is almost certain that one of the teams will get in the money.

Make Any Stove A Gas Stove

The K. K. K. Keroseene Oil Burner will make of your stove or range, a gas stove—all the convenience of gas and at less cost, as it burns about 95% air and 5% kerosene oil. It will bake better, cook better and heat the entire stove.

In summer it makes things more comfortable for you and in winter you have all the heat you want, without the dust, dirt and work of a coal or wood fire.

Safer than wood or coal and will not explode.

The outfit consists of a burner, which sets on the grates, a 5 gallon oil tank and copper tubing, can be put in any stove in fifteen minutes—no damage to stove—lasts a lifetime.

To light, turn a valve and light. Can be turned on and off at will.

Avoid cheap imitations—they do not give continuous satisfaction.

Our various oil burners are used for cooking and heating in homes, churches, garages, laundry stoves, vulcanizers, melting metal.

10 DAYS FREE TRIAL ON K. K. K. OIL BURNER

Do not take anybody's word for it, you can be the judge yourself. It will not cost you a penny. Simply write us a letter stating whether you desire a cook stove or heating stove burner. Upon receipt of your letter a K. K. K. oil burner will be installed for 10 DAYS FREE TRIAL.

Test it out thoroughly and if you are satisfied as our hundreds of customers are, you are to pay us only \$23.50, cash or easy terms.

Remember you take no risk, you are under no obligation, send in your order before this special offer is withdrawn.
