"I Got Real Mad when I Lost My Setting Hen," writes Mrs. Hanna, N. J.

When I lost my hen, I got real mad. The passage of Bill S. 10000, which provides for the payment of \$10000 to the owner of a lost hen, is a great relief to me. I have lost my hen several times and have been unable to get any compensation. I have been told that I should apply for a bill of this kind, but I have not had time to do so. I am sure that this bill will be passed and that I will receive the money I deserve.
