Most Sacred Function" Was Productive of Good

The three-day visit of Frank H Gamel to the Downers Grove High School last week was productive of great good. Mr. Gamel delivered three lectures in the high school auditorium, those on Wednesday and Friday nights being for all who were interested in the development of the best possible manhood among the boys.

The lecture on Thursday night was for fathers and sons only. This was illustrated with moving pictures showing the development of life and the great problems which confront boys of this age. In the most natural manner in the world Mr. Gamel told the story of "Life's Most Sacred Function" and opened the way for the fathers who were present to talk over these vital subjects with their sons, A special feature of Mr. Gamel's

visit was the half hour interviews with such boys as had made a request to discuss their problems with the lecturer.

It is a matter of regret that Mr. Gamel could not have stayed longer. Wednesday, 4:15 p. m. Converts In- The reports of the boys who had interviews show that every one of them George W. Hall, Truster and was inspired to a life that is worth Alfred R. Patton, Complainants, vs.
