

NEWSY NOTES FROM LISLE AND BELMONT

RURAL BOYS HAVE HOLIDAY TRIP

Through the County Y. M. C. A. Secretary, boys from Belmont, Lisle, Warrenville and Eola, took an educational trip on Washington's Birthday to Chicago. Mr. Pheil, the new Baptist pastor of Warrenville, and Mr. Richie of Wheaton, directed this educational trip for the 20 boys who were able to go. They visited the Insurance Building on Jackson Blvd., then some of the stores on State st., which was followed by a swim in the pool at the Central Y. M. C. A. After a view over the loop section of the city from the Boston Store Observatory, and a visit to Marshall Field's, lunch was enjoyed at the Eaton Cafeteria.

The Lincoln Park Zoological Gardens and the Museum of Natural History were then visited, and for some of the boys this was a unique experience. A number of them had only been to Chicago a few times, and for a few, it was their first visit. Even to stand on the front platform of a trolley car was about as much fun to them as seeing the monkeys play, or watching the water birds or the tigers.

The climax of the trip, however, was a visit to the Standard Ice Cream Plant on West Lake street. After inspecting the plant and learning of the various processes connected with the manufacture of ice and the preparation and freezing of the cream, all were served with a liberal sample of the product.

LISLE CHURCH NOTES

On Friday evening the members of the "Advance" Bible Class enjoyed an unusual treat in the nature of a "Waffle" Supper. The Ladies acting as cooks and the men after stowing away large quantities of the golden dishes with such characteristic Yankee expressions as "Oh Boy," and "My Turn Next," hid themselves away to the kitchen and there demonstrated that they are all married men or in training for the important office, by their mastery of the dish-towel and the mysteries of Kitchen Kraft. But they are really to "hand it" to the Ladies when it comes to "Waffles."

Much sense and nonsense was "spouted" after the "feed" when an extemporaneous debate was indulged

in on the subject "Resolved that the automobile is a necessity" and the readers maybe interested to know that the negative side won.

On Friday evening, February 25th, the monthly social of the Bible Class will be held at the home of Mr. and Mrs. A. H. Anderson and one important item on the program is a debate on "Resolved that the women are superior to the men."
