B. I. H. S. Used "Subs"

The Blue Island coach used all his subs in the initial period. These youngsters played a wonderful game. The locals could not get started and the half ended 9-7 the Purple trailing.

Blue Island started out like a laker

Roll the two stars of Blue Island got wild and tossed a goodly number of baskets until Boon and Rohe got into a mixup and both went to the locker. This stopped the locals opponents and the Purple five began to cage the baskets which would soon have spelled defeat for them if the final whistle had not ended the fray. In the ten minutes Rohe played he caged four baskets. Vaughn played the best game for the locals. The final score was 27-18.

Wheaton Next Friday

Again we remind you that the Wheaton quintet journey to the local floor next Friday to meet defeat. The Wheaton five has once defeated the locals this season so lets come up and pop up. There will be two games. As the gyro holds only a few you had better hit the South Side Hall of learning early and get a good seat. The cheerleaders are going to have lots of pep and candy will be sold by the girls. Remember next Friday evening at seven thirty.

This afternoon the Purple tossers will play East Aurora in their first game of the tournament at Elgin. If they beat East Aurora they have a good chance to place high. The team left for Elgin last night escorted by Coach Curtiss.

Rev. Julius Kircher, of Chicago, will Preach Sermon at Installation of Rev. Wm. Grotfeld.

Rev. William Grotfeld will be installed as pastor of St. Paul's Evangelical church on Grove Street next Sunday morning. Rev. Julius Kircher of Chicago, preaching the installation sermon. The service will be held at 10:30 a. m. and the church council has extended an invitation to all members and friends of St. Paul's to be present.

Rev. Grotfeld is a decided attraction to the ministerial forces of the village, being well known naturally in the work of his church. For the past twenty-five years he has been pastor of the Bethany Evangelical Church, Irving Park Boulevard and Paulina Street, Chicago. He founded the church in 1894 and built up a large membership, the total congregation at present being 1300.

A few facts regarding his pastorate there and his work in the field will enable local people to appreciate what an addition he is to our village.

Membership in the various church organizations was as follows:

Ladies' Aid Society Members 125 Young People's Society Members 120 Sunday School Teachers 23 Sunday School Pupils 483 Battles of Ligier and Quatre Bras were

INSTALLATION SERMON SUNDAY FOR NEW PASTOR

the young men of the church are or vice in the country's service.

The pastor officiated during his ministry there at 1,143 baptisms, confirmed 866 catechumens, married 652 couples and held religious services at 626 funerals.

During the pastorate at Bethany's the Rev. W. Grotfeld has filled responsible positions in the church denomination, to which his church belongs. He was for several years secretary of the Foreign Mission Board, the Young People's League, of Northern Illinois, of Sunday School Conventions of Northern Illinois, treasurer of the Evangelical Orphans and Old People's Home at Bensonville, Ill., and president of the Board of Funds and Endowments of the Evangelical Synod of North America, which latter two offices he still holds.

Rev. Grotfeld's reason for coming to a smaller field was to take a rest. His large congregation and duties for so many years took up much of his time that now he wants a quieter, smaller church where some of his time can be his own.

Great British Soldier.

Arthur Wellesley, first Duke Wellington, was born probably on the 26th of April, 1769, in Dublin. He was an improving boy, and his mother, deciding that her "ugly boy, Arthur," was fit food for powder and nothing else, sent him to a military academy at Abergavenny, France. He entered the army in 1787 and rose rapidly, seeing much service, until his great opportunity came when Napoleon returned from Elba and Wellington was summoned to command the forces of the English and allies in Belgium, in co-operation with the Prussians under Blucher. The battles of Ligier and Quatre Bras were followed by the battle of Waterloo, June 18, 1815, which finally shattered

the power of Napoleon. Wellington

PRAISE FOR MRS. EDWARDS FROM CALIF.

The following is taken from a Whittier (California) paper and shows best the late Mrs. Edwards' characteristics. Though she lived there but a year yet in that short time she endeared herself to the hearts of all with whom she came in contact.

"The hearts of many of our people were saddened this week when word was received of the death of Mrs. Allie Edwards, of Downers Grove, Ill. Some two years ago Mrs. Edwards and her son John, came to Whittier and rented a home on South Milton. They remained with us about a year and Mrs. Edwards endeared herself to every Christian by her beautiful life, and inspiring testimony for Christ. She was ever considerate of others and was never so happy as when doing good. Out of the deep wells of Christian experience she drew that which refreshed and ennobled every one with whom she came in contact. We regretted the necessity that called her back to Illinois, but since going there she has kept in touch with many of her friends in Whittier, and hoped some day to return. Mrs. Edwards was one of the few personalities one meets in a life time whose very presence draws one nearer to God."

W. C. T. U. NOTES

At Fort Sheridan (where over a thousand of our boys, many maimed and crippled have been sent) our National W. C. T. U. has been honored by the appointment of a "Hospital Mother," Mrs. Chez. She is located there and looks after the needs of the boys, has access to all the wards and in the new administration building, now under construction, will have a large room, which she says will be the coziest place at the post. Mrs. Chez suggests sunshine bags and knitted afghans, something that can be made in all the local unions. Also jellies and jams and cookies sent direct to Fort Sheridan Hospital, care of Mrs. Anthony Chez, "Hospital Mother."

The reported decision of American brewers to establish breweries in China is meeting fierce opposition, and the press of that country is voicing their indignation, they say. "We have no desire to drive out the opium only to usher in the drunken rot. Apparently the brewers think they must educate the Chinese to the delights of western bacchanalianism. Why do not the westerners come to teach better manners than indulging in opium, cigarettes and intoxicants?"

The White Elephant.
A good many persons have, no doubt, got a wrong impression of the famous white elephant. He is not pure white, as is generally supposed, but is a sort of Ashno among his race. He is a very light gray, but never a pure white color. Outside of this, he is little different from the rest of his race.

NEWSBOY AMBITION NEARER A PENNANT

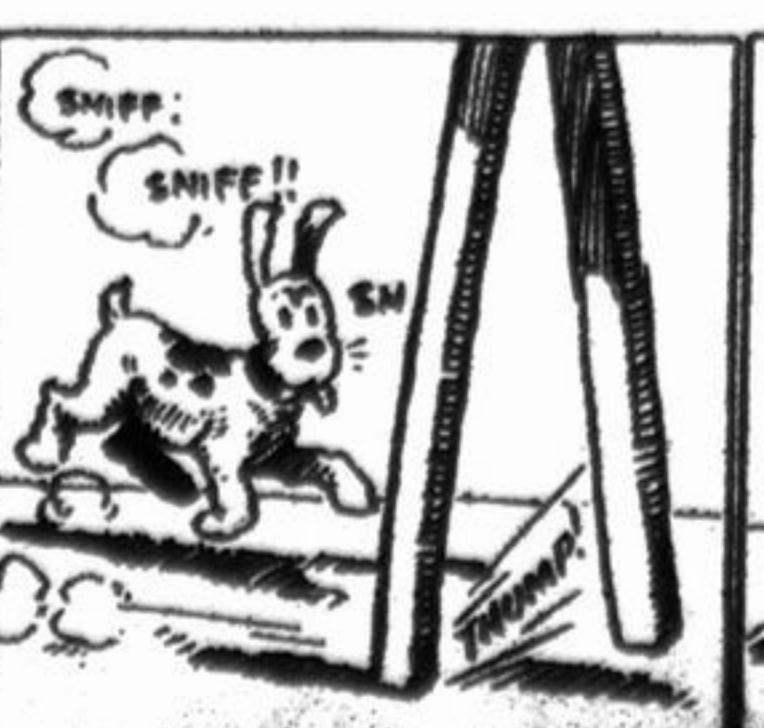

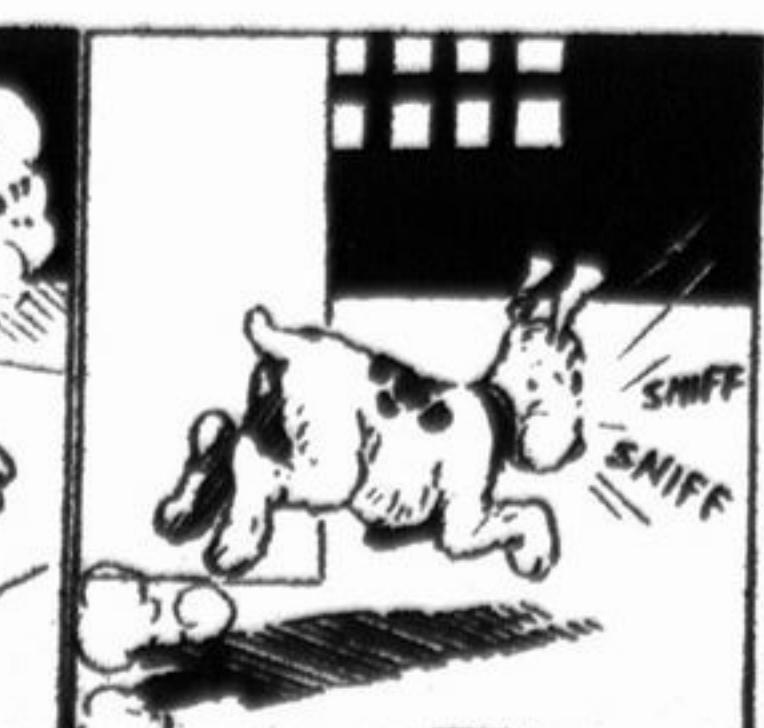

A newsboy ambition has been realized. A former New York newsboy — George Washington Grant — now owns a major league baseball team — the Boston Nationals. Twenty years ago Grant sold papers. Then came the roller skating craze — and the movies. He went to London and promoted both. He prospered. Now he has bought a ball team — and plans on a pennant — and the world's championship.

Champ Yank Aces Report to Chief

This is proof that there is only one thing that can "take" a Yank "ace." That thing is a "camera" — one of which took these three premier aces as they posed with the big chief — General W. L. Kenly, of the United States air service, at Washington. These three Yanks are the champions of our air fighters; reading left to right they are: Major James Meister of Brooklyn, General Kenly, Captain Eddie Rickenbacker of Columbus, O., and Captain Douglas Campbell of California.
