BLOOD WILL TELL—
The blood which flowed in the veins of an impetuous chorus girl proved nobler than that of the blue-blooded aristocrats whose son she married. Although she had to go back again to pink tights and spotlights, she saved the man she loved from death. ALICE BRADY as the brave hearted chorus girl suddenly transplanted into a Fifth Avenue mansion, has achieved another splendid triumph in "Out of the Chorus."

It's a satisfaction worth paying a slightly higher price for, to know that Luxor hand-made shades will show scarcely a pinhole or crack at the end of that time. Like most other hand-made products, Luxor window shades give better service over a longer period of time.
