

LOCALS CAPTURE BOWLING MATCH FROM CHICAGO 5

Win From West Ends Saturday Nite by 33 Pins—Mark 949 in Last Game.

A local bowling team won from the West Ends of Chicago last Saturday night by the small margin of 33 pins. The visitors won the first game by 60 pins giving them a nice lead right off the jump. The locals came back in the next two games, taking the second by 23 and the third by 70.

It was the third game which won for Downers. They counted 949 in this one, one of the highest five man games bowled at the alleys this season. Albrecht started for the locals with high game of 216 and average of 191. Weiser was high man for the visitors with 203 and an average of 189. Stump was next for Downers with high game of 201 and a 187-1-3 average.

The gallery was packed with fans who rooted for the locals and by all kinds of "body English" endeavored to pull the ball into the groove.

The score of the match was:

Table with 3 columns: West Ends, 1, 2, 3 Ave. Rows include Kofran, White, Nemecsek, Becker, Weiser, and Totals.

Table with 3 columns: Downers Grove, 1, 2, 3 Ave. Rows include Bollow, Albrecht, Holst, Mrkvička, Stump, and Totals.

Following the five man match a series of two games was arranged between Mrkvička and Stump and Kofran and Weiser, the former winning by 35 pins.

Table with 2 columns: Mrkvička, Stump, Kofran, Weiser. Rows show scores and averages.

Following are the league standings and the scores to March 11th.

BUSINESS MEN'S LEAGUE

BILL FOR "FARM TO MARKET" ROADS AFFECTS DU PAGE

County With 142 Miles of Dirt Highways Would Benefit From Proposed Law.

Probably no other bill coming before the present state legislature is of more direct interest to DuPage County farmers than the "farm to market" road bill brought up this week. DuPage County, according to latest available figures, has 142 miles of dirt roads.

Legislative experts of the Illinois Agricultural Association have surveyed the bill and find that it means the upkeep and market use of such roads as we have, rather than the building of new and expensive highways for joy riding. Systematic maintenance of market roads, it was found, is the most efficient and economical means of serving all traffic. The bill provides for upkeep of a "state" road system comprising four classes—state aid, county aid, bond issue, and federal aid roads. Detours are to be maintained and protection provided. Uniform markings of all roads and patrol or gang maintenance are other features. County highway engineers would not be affected except that as the roads were extended their duties would increase. The bill would not increase taxes unless the tax payers themselves voted an increase by building new roads. The guiding principle of the bill is that the farmer and the consumer will be benefitted more by improving the market road, we have than by waiting years for expensive automobile highways.

BLUE LODGE WINS FOUR OUT OF SIX FROM ROYAL ARCH

Interesting Match at Dicke Alleys For Masonic Championship of Downers Grove.

An interesting match was held at the Dicke bowling alleys on Wednesday evening for the Masonic Championship of Downers Grove when Grove Lodge No. 824, A. F. & A. M. met the bowlers of Grove Chapter, No. 230, R. A. M.

Blue Lodge bowlers were declared the winners, winning four out of the six games rolled. Albert Vix is the man who kept the match from being a draw, three all. There were two teams representing each organization. In the last game, Vix, rolling with the first team of the Blue Lodge and anchor man, won for his team by doubling in the tenth and counting nine pins making a total for his five just three pins bigger than that of the Chapter.

The scores were: Blue Lodge, 1st 780 772 781 2323; Chapter, 1st 757 731 778 2269; Chapter, 2d 618 682 609 1909; Blue Lodge, 2d 529 606 686 1921. H. E. Tank, bowling with the Chapter second team, copped high game of the evening with a score of 215. Peterson was high Blue Lodge man with 205 while A. Vix counted high average of 182-2-3 with games of 161, 190 and 197.

The Blue Lodge bowlers were—Brown, Peterson, Staats, Duncan, Vix, Parks, Ellerton, Boydston, Rogers, Pfaff, Gardiner, Knoblauch, Bolsby and Binder. Chapter representatives were—Dewey, G. Staiger, C. Staiger, Konesack, Balezynski, Mochel, Bruns, Brunson, Tank, Jehl, Allison, Klein, Rogers.

It was ladies night at the alleys as wives and sweethearts of the members were present in full force. After the match and after a dainty lunch had been served the women-folks took their turn at the alleys. Strikes were rare occurrences and brought forth much applause from both participants and spectators. Spares were fairly plentiful and the final scores were not much below those chalked up by the men on their first attempt at bowling. The snake balls thrown by some of the fair sex bowlers drew much comment from the men.

Taken all in all, it was a successful evening and there are heard rumors that inasmuch as the Chapter did the "defying" and lost in the bowling match, that the Blue Lodge would do a little of the same and see what the Chapter men can do in a game of baseball.

YOUR'RE RIGHT, W. E.

Downers Grove, Ill., Mar. 16, 1921. Downers Grove Reporter: While I have no particular desire to set my name into print I cannot refrain from commenting on the account of the election and your editorial in last week's paper. After reading them very carefully I have come to the conclusion that

as an argument in favor of Sunday movies you certainly have expressed some excellent sentiments against compulsory religion but as the question of religious, compulsory or otherwise, was not the point at issue I fail to see why you should get so warmed up on that subject.

As stated in your editorial the question of compulsory religion was settled by our forefathers centuries ago and anyone who is in the habit of attending any of the churches in our village as often as once a year would know that not one of them would be so unwise as to adopt a policy of forcing religion down one's throat.

It might also be well to remember that under this same constitution you speak of the will of the majority and not the minority prevails, so that when at a regular election the majority decide that we shall not have Sunday movies it hardly seems proper that they should be criticized because some one who was interested in the proposition failed to get out and hustle for it. In this day and age people have to get out and work for what they want and I think I am safe in saying that this is not the first time autos have been used at an election in Downers Grove.

In one paragraph of your editorial you say that our people will probably go to Chicago to see Sunday movies where the danger is greater. It is a common occurrence for our people to attend shows in Chicago on week nights without getting into the trouble you refer to and surely you do not mean to infer that the people of our town who attend the movies are more susceptible to those dangers than the others or do you mean that the Sunday movies attract an undesirable element to a community which make it unsafe for the boys and girls. If the latter do you really think we should sanction a proposition which would unintentionally draw that element to Downers Grove. Respectfully yours, W. E. Chessman.

Bell System Wrong Numbers If, for any reason, you are connected with a telephone other than the one you called, move the receiver hook slowly up and down four or five times, or until the operator answers. (The signal will not operate if hook is moved rapidly.) Tell her that you have been given a wrong number, and repeat the number you called for. This routine is necessary to avoid the possibility of having the nickel "collected" by the operator (if using a coin box telephone), or having the call charged (if using a measured service telephone). There is, of course, no charge where a wrong number is given, but sometimes the operator does not know about it and should be told. ILLINOIS BELL TELEPHONE COMPANY
