C. H. STAATS, EDITOR

Entered at the Downers Grove Post Office as second class mail matter. Advertising rates made known upon application. Subscription rates \$2.00 per year. Single copies 6c.

TO PAVE TOWNSHIP ROADS

The first benefits of the increase of taxes in Downers Grove Township voted last fall, are to be seen in an advertisement for bids printed on page seven this week. The proposal calls for bids on the paving of Maple avenue. (Chicago avenue in the ad) from the west village limits of Hinsdale to the west village limits of the township; for Highland avenue, south Main street, the East Grove road and the Greggs Road.

With these roads to be paved, presumably in the next year, and with a like amount to be improved every year during the five year period, it will not take long until Downers Grove township will have the best roads in the county.

Look it over, you good roads advocates and see what it looks like.

GO TO CHURCH SUNDAY

It is hardly necessary to tell people to go to church on next Sunday for it is Easter Sunday that folks attend divine worship, if they go any other day of the year or not.

Every local church is making a special effort this year to make their Easter services long to be remembered.

SAVE

your combings. Have them made into switches, braids, transformations and puffs at reasonable prices. All orders receive prompt attention.

The FEDERAL
Washing Action
Cleans Clothes
Quickly!

ITS the Federal washing action that counts. The picture above tells the story. The tumbler dashes the clothes back and forth up and down, in a surfy, wave-like swirl of suds. The water sprayed through the many holes in a series of jets, forces the suds thoroughly through the fabrics.

The Federal action does not injure even the most delicate of fabrics and washes them cleaner and quicker.

FEDERAL
Electric Washer

not only saves the clothes but saves you time, labor, and money. Made from Armco Ingot Iron—rust resisting—will last indefinitely.

A small payment down—balance in small monthly payments.

Come and see this beautiful machine TODAY.

Another Federal product, among the best of its kind in use today, is the

bered. There will be special music, cantatas, special sermons and all having that touch of joy, mixed with just a shade of sadness, which the resurrection brings to one's mind. Go to church next Sunday.

ANNEXATION

On April 19th we will vote on the annexation of the Bunge Subdivision to the village of Downers Grove. Everyone should favor the annexation of any desirable adjacent territory to the village. It helps keep the taxes on a more equitable basis, it makes those who enjoy the privileges of the village help pay for the things the village has for them. Eventually these various additions will be among the most beautiful of the town and should be admitted as soon as possible.

Making Use of Lizard Skin.
The lizards of India—and India has a great crop of them—are hunted for their skins. Women's and children's shoes, purses and handbags are manufactured from them. These articles have been found to wear as well as calf-skin or grace kid. The average skin is two feet square and is worth 32 cents. A pair of shoes made of lizard skin costs four dollars.—Popular Science Monthly.

Martha Lehmann was the daughter of Mr. and Mrs. William Lehmann of Downers Grove, born June 22, 1895. She was united in marriage to Al. J. Vogt, May 15, 1917, residing in Clyde, Ill., until about two years ago, when they moved to Hinsdale. Mrs. Vogt was a member of Evangelical Immanuel Church. She was also a member of the P. T. G. Club. During her short residence in Hins-

dale she had cultivated a large circle of friends who will sadly miss her congenial, happy personality and friendship. Besides her husband and baby daughter and parents, the deceased is survived by two brothers and one sister, Albert J. Lehmann of Hinsdale, Fred and Mildred Lehmann of Downers Grove. Funeral services were held Thurs-

day afternoon from the home at 2:00 o'clock and from Evangelical Immanuel church at 2:30, and were largely attended by relatives and friends. The many beautiful floral offerings testified to the affection in which the beloved young woman was held. The Rev. G. H. Stanger officiated at the funeral service. Interment was made at the Fullersburg cemetery.

BUICK

For years the demand for Buick cars has always exceeded the supply—even when Buick production mounted to 500 cars a day. Because of the material curtailment of motor car production this winter, the country faces a decided shortage of quality cars this spring and summer.

Consequently Buick dealers are advising motorists to place their Buick orders now because orders must be sent to factory months in advance of delivery.

The reason why the demand for Buick cars has always exceeded the supply is more pronounced than ever in the 1921 Buick. Coupled with the noted Buick power and dependability are added riding comfort, easier control and a beauty and grace that fittingly express Buick Worth.

Authorized Buick Service insures full return on Buick investment.

Since January first, regular equipment on all models includes cord tires
