A tubful of snowy white clothes every few minutes—no rubbing or scrubbing. All the washing and wringing done in an hour or so. Saves wear and tear—clothes last five times as long and costs less than five cents a week for electricity.

### FEDERAL Electric Washer

The Federal is distinctively a woman's machine—

**Dainty** in its scheme of blue and white enameled decoration.

**Simple** to operate.

**Safe** because every moving part is enclosed.

Yet so rigidly and substantially constructed its life with ordinary care is unlimited. Made of Armco Ingot Iron (rust resisting), the Federal will give years of satisfactory service.

A small payment puts it in your home. Balance in easy monthly payments.

Come and see the demonstration of this wonderful washer. Get a miniature machine to take home for the children.

Another Federal product, among the best of its kind in use today, is the
