**PRICES RIGHT.**

Poor cooking can spoil the finest meats. You don't have to buy the choicest cuts in order to have good meats. There are many cuts in a beef that are delicious if you cook them properly. They are cheaper and make nourishing food. Learn to use them. Our smoked meats and sausages are perfection. Try them.

MOVING DAY—

You all know what that means. Only this little lady was moving from a rose-embowered cottage into "The House That Jazz Built."

That was a lucky move for the picture fans of this fair burg, for it resulted in the funniest, cleverest comedy that has been screened in many a moon. They say that the path of true love never did run smooth, but who'd 'a thought there were so many laughs growing between the bumps.

Also

2-Reel Christy Comedy—
