**Mademoiselle Loyalty**

She came from another land, a bewildered and penniless alien guest in a rich American home. She didn't know much about American manners and customs, and she was vaguely apprehensive about the constant presence of a man friend who frequented that home.  
But Loyalty is the same in all the countries! And Jeanne courageously determined to be loyal to the woman who had befriended her, no matter what happened.  
A good many things happened, many of them bordering on grim tragedy. But little Ma'm-selle Loyalty never once faltered in her self-set task of keeping still and holding that family together.
