

SANITARY DISTRICT FILM EXHIBITED TUES.

Instructive Pictures Show of Work Accomplished by the Chicago Sanitary District.

Through the courtesy of Mr. Jas. H. Lawley of the Board of Trustees of the Sanitary District of Chicago, a six reel moving picture film of the operations of the Sanitary District was shown at the Dicke Theatre on Tuesday evening. This is a very instructive picture and not only gives the actual operations of the Sanitary Board and its works but shows the wonderful natural scenery along the Canal and also the beautiful Illinois river.

A wonderful work has been accomplished by the Chicago Sanitary District and the records will amply bear out that the proper disposal of sewage in Chicago has saved thousands of lives in keeping clear and free from pollution the drinking water for Chicago.

Mr. Lawley has kindly permitted the local Sanitary District Board to retain this film and through the courtesy of the proprietors of our Theatres it will be shown in sections during this coming week. It will be well worth while for every resident to see this picture especially as we are all vitally interested in sewage disposal now and the voting of a bond issue on July 9, for the purpose of constructing an adequate sewage disposal plant.

The pollution of the creek running through Downers Grove is a dangerous nuisance and it is a wonder to many who are familiar with the existing conditions that typhoid fever hasn't been more prevalent in our locality as a result of this unsanitary condition.

On a smaller scale our local Sanitary Board has a task to perform similar to that of the Chicago Sanitary District in providing for proper disposal of sewage maintaining the plant at the proper efficiency, keep-

ing the creek free from pollution and in other ways safeguarding the lives of the people of this Sanitary District of Downers Grove through proper sanitation.

This will be the one and only job of this Sanitary Board and there is no reason why, with the cooperation of the public this district should not be the healthiest in DuPage County if not in Illinois, and the creek which now is an eyesore and worthless, in a comparatively short time be made a clean little river running through our beautiful Forest Preserve where our children may go in wading and our boys find a haven in the summer time in the shape of a swimming place. It may seem a dream to the skeptic but so was the Chicago Sanitary District, but the six reels of film will amply demonstrate what the people did when they realized the good to come of the project.

CAPTAIN PARKER HOST TO MANY INDIANS SUNDAY

Ice Cream and Lemonade Served to Nearly a Hundred Visitors—Greatly Enjoyed.

Members of the Indian Fellowship, U. S. A., took the trail to the hunting grounds of their ancestors at Downers Grove for their annual reunion and picnic, the party was held at the home of Capt. R. D. Parker, in Gilbert avenue, where "muck-i-muck" (Red-skin for food) was served, and afterwards a program was given by the Indian Committee.

Capt. Parker, for a number of years, usually in the month of June, has entertained the Chicago Society of Anthropology; last year the Indian Fellowship League and the Chicago Historical Society were his guests. This year the League, of which the Captain is secretary, held one of the most enjoyable gatherings ever held in Downers Grove. The party arrived by train at 11:47 a. m. and by autos later. Muck-i-muck was served in true Indian style with white

man's ice cream and lemonade and after all had been served a picture was taken of the group by our local artist, W. W. VanOsdel.

Mrs. Bloom acted as director of the program and called on George A. Vinton, G. A. R. man and friend of Abraham Lincoln related incidents of that noble, grand man seldom seen in print. He was followed by F. M. Sunday, a Crowfoot Indian, who gave a demonstration of magnetic healing by curing headache and other ailments of several who were present. Mrs. Krackman gave a talk on the subject of healing.

Mrs. Evangie Lee Morgan followed with her usual cheerful remarks of the good feeling between our fellow men and she was followed by Capt. Parker, who recited "Piggy Riggs," a composition he wrote for the Society of the Daughters of the Confederacy thirteen years ago. At 6:30 the party picnicked to the station and took the back trail to their different Reservations.

Among those present was Frank Cayou, Physical Director of the Illinois Athletic Club and at present Director of Physical and Manual Training at the Great Lakes Naval Station. It was two of his men who defeated the Army team at Philadelphia, Pa., two weeks ago. At the time the Carlisle football team had never been defeated, he was their coach and captain.

Mr. H. O. Kramer, President of the new National Psychological Society; and Dr. A. Lyle Van Dyne, author of "On the Indian Trail," were also at the outing.

Following is a list of those present: Rev. Hugh Calvin Smith, Chaplain

of the Woodmen of the World; D. Anderson and wife; Mrs. Ella Harrison, Mr. and Mrs. F. Gridley and daughter, Mrs. B. Stanger, Mrs. B. Vesper, A. W. Bloom, Alma Johnson, Miss Cummings, Mrs. Krackman, J. L. Sangbush, Ben Swamp, B. D. Leggs, Mr. and Mrs. C. M. Fraser and daughter, John H. Cordt, Mr. and Mrs. E. Lange, Mrs. L. Sanders, W. E. Moore, A. Barries, Dr. Van Dyne, Mr. and Mrs. J. F. Walsh, Miss Esther Noble, Mr. and Mrs. George A. Vinton, Mr. and Mrs. D. V. Grass, Mr. and Mrs. C. W. Hall, Clifton and Violet Hall, Winifred W. Van Osdel, Wm. Moore, Mr. and Mrs. F. T. Thompson, Mr. and Mrs. A. H. Bloom, Mr. and Mrs. A. Bausback, G. F. Reifus, Lillia Holtz, Mrs. Fannie Parker and daughter, Mr. and Mrs. Morgan, Mr. and Mrs. Frank Cayou, son and daughter, Miss E. Blackman, Thelka Thomas, Ruth Strubeby, Silver Star, Mrs. Finn Perry, Mr. and Mrs. H. O. Hall, Loata Hall, Mr. and Mrs. J. R. Green, Mr. and Mrs. P. Simpson, Ed. Woods, Mr. and Mrs. Irwin, Joe Love, Mr. and Mrs. John Kennedy, Mr. and Mrs. Graham, Mr. and Mrs. Chas. Katz, B. L. Staey.

ST. JOSEPH A. C. WON TIGHT BALL GAME SUNDAY

St. Joseph A. C. won a tight game last Sunday afternoon from the Clifton Park A. C. of Chicago at St. Procopius College grounds.

It looked bad for the local team in the start for the opposing pitcher allowed no hits to the sixth inning.

The features of the game were Baron's pitching, making thirteen strikeouts and Brady bringing home the winning run on Baron's single.

Brady is very attentive to business for some one from the grand stand yelled for a three bagger and away it went for a clean three base hit.

Baron has 53 strikeouts in four games and we all hope he keeps up the good work as we think he will.

Bradley caught a few hot flies right off the bat, by the look on his face he would like to have the balls cooled off a bit as they sure were hot ones.

Wimmer played first and showed good work. He's not very big, but O, my!

Meyer is still showing good form at short stop. Bender was shifted from second to third but he isn't quite used to the new position.

Holloway was sliding to second in the fifth and hurt his ankle, he was replaced Pelling.

Miller was also hurt and replaced by Canty.

The locals did some hard fighting winning the game in the ninth inning.

Clifton Park—1 1 2 1 0 0 4 1
St. Joseph —1 0 0 1 0 4 0 2 3

Clifton Park — 10 runs; 18 hits; 3 errors.
St. Joseph—11 runs; 11 hits; 2 errors.

The Bunco and card party given by the St. Joseph A. C. last Saturday night—was a big success. The winners of the prizes were Mr. Eckhart 1st. prize in 500 and Mrs. Fox first womans prize. Miss Dorothy Denney and Mr. James Twohey 1st. prize in Bunco.

Every one had an enjoyable time and all the ice cream and cake they wanted.

"Get It While the Getting's Good"
is a slang phrase but it applies to COAL right now.
Our advice is "Order Your Coal While the Getting's Good."
Conditions are gradually working themselves around to the same as prevailed in the early part of last winter. The mines have not been worked to full capacity during the summer months which makes a shortage at the mines.
Added to this is the danger of a serious car shortage. Grain and other things are starting to move very fast with the gradual resumption of business, leaving less cars for coal.
Coal will not be cheaper, in the fall or winter, than it is now. So get your next winter's supply in your bins NOW and be prepared for anything the winter might bring.
We have in transit and also in stock all kinds and sizes of Coal.
Our best grades are—
The Genuine Old Ben Purity
NONE BETTER IN ILLINOIS
Pittston Hard Coal
Pocahontas

When You Get Your STUDEBAKER "THE COMFORT CAR"
you will be kept busy for a long time, returning the delightful rides given you in the past by friends and neighbors, and the beauty of it is, you will be able to return them with INTEREST, for there are but few cars as comfortable to ride in, as the STUDEBAKER!
Downers Grove Garage, Inc.
Phone 22 Downers Grove, Ill.

HOT? Yes It Is!

But don't let a little thing like that bother you. There's a classy beach at Romeo (the only one within reach) where the water is deliciously cool and fresh. How you can swim to your heart's content forgetting the heat in the enjoyment.
A brand new Ace Truck, equipped for your comfort, leaves the Kidwell Garage, Warren and Main sts., Tuesday, Thursday & Saturday evenings at 7 p. m. Sundays at 9:30 a. m. and 2:30 p. m. Other trips as the weather permits or on special occasions.
The round trip is One Dollar and the trip alone, without the wonderful swim, is worth the money.

"There's No Place Like Colorado After All"
Colorado is as big as all New England, with Indiana added; two-thirds is mountainous — 100,000 square miles contain 155 peaks that are more than 12,000 feet high. Within the state there are 500 lakes—large and small; 6,000 miles of running water, born of snow and filled with fish. Mineral springs abound—no one knows how many there are. Every railroad line is an excursion line. Motor highways radiate in all directions.
Obviously, in such a region, vacation possibilities are unlimited; hence the term, "The Playground of the Nation."
Where to go? There are a thousand different places. In two hours from the haunts of civilization, where splendid hotels, dancing, music and golf reign supreme, back to the wildest, untamed mountain fastness, where the silence is broken only by plunging waterfalls, the songs of birds or the splash of trout.
When to go? Any time!
This summer, when seeking escape from the dust and heat, go out under that magnificent cool, blue Colorado sky. Get the tang of the mountain air in your nostrils—the fragrance of the flowers and the spicy smell of pine.
How to go? Just climb aboard a Burlington limited.
"There's No Place Like Colorado, After All!"
Suppose you come in and we'll talk over your summer vacation-recreation plans.
