WHAT HAVE THEY DONE?

Who? Why the children of the Daily Vacation Bible School. Do you know what they have been doing thru the last three weeks? We are giving you an opportunity to learn. Tuesday evening, July 26th at 7:30 the public is asked to come to the Baptist Church building, where the school has been in session, to witness their achievements. It is bound to be of interest to all because we all love and have time to give to the boys and girls of today who become the men and women of tomorrow. It will mean much to them to know that the "Grown-ups" care.

The children will be there just as they have been every day and a whole session of the School will be conducted for the benefit of the spectators. They have been working with hands and head. Something of both will be given. A display of the craft work will be there for your inspection as well as a course of the head work for your inspection. Judges will be appointed and the work judged and awarded. Six departments will be represented as follows: Paper Material, Brass Work, Sewing, Basket Weaving, Manual Training and Hammock Making.

The superintendent has found our boys and girls diligent and faithful, they have done their part; now you do yours. Come one and all, you are welcome. Help us to make the closing session of this happy period together one of the big times in each young life.

Rev. Arnold H. Kehrl.

MUSIC AT VESTA LAST WEEK TUESDAY

In the report of the Worthy Grand Matron's visit to Vesta Chapter last week we left out any mention of the music for the occasion. This was furnished under the direction of Mrs. Rassweiler and was worthy of more than passing interest. Mrs. Rassweiler favored with a solo and there were special numbers and music during the work by Mrs. Rassweiler, Mrs. M. E. Coleman and the Misses Gwen Griffiths and Lillian Washburn.

The world's greatest wild animal refuge is Yellowstone Park. There the rarest and noblest of American big game lives its old wild life. You who love the wild, see its creatures in their natural haunts.

Lovely elk roam the pasture lands; bison still graze the plains; the vanishing big horn pose against the sky; the graceful antelope may still be seen—fleet, shadowy; the wise beaver plies his age-old trade; the big and little bears clown and make friends with you.
