

Hipple Concert Company  
a Chautauqua Feature

Earl H. Hipple, "Wizard of the Xylophone," is manager of the Hipple Concert company, which will be heard here at the Redpath Chautauqua. Each of the other members of the company is thoroughly experienced in concert work.

The company's program is both classical and popular in character and is so universal in scope that it pleases the entire audience.

The Hipple company has earned a splendid reputation in the entertainment field, and enthusiastic words of commendation have been written concerning this organization by people in all parts of the United States.

Swiss Yodlers Coming Here  
Chautauqua Week

Grobecker's Swiss Yodlers will give a full concert and a prelude at the coming five-day Redpath Chautauqua.

This company is composed of genuine Swiss Yodlers presenting to the American public a program of true Swiss mountain folklore, full of educational as well as entertainment features. "Daddy" Grobecker, as he is affectionately called by his people, is the manager of the company.

The Yodlers appear in their picturesque Swiss mountain attire and sing melodious Swiss yodel songs, interspersed with popular and standard American songs and also instrumental music rendered on the unique musical instruments of the Swiss mountaineers.

The Yodlers are a picturesque and thoroughly entertaining organization.

Rollicking Comedy, "Nothing But The  
Truth," a Chautauqua Feature

"Nothing But The Truth" is one of the most widely-known comedy successes.

As a novel by Frederick S. Isham, it was read by millions of people, and later as a play it ran more than a season on Broadway.

It is the ingenious, entertaining story of a young society idler who wagers that he can tell the absolute truth for one whole day.

A complete production of "Nothing But The Truth" will be given here at the forthcoming Redpath Chautauqua by a New York company.
