

MAYWOOD LOST TO LEGION NINE IN FAST GAME

Locals "came Back" Last Sunday in Six to Four Win Against a Strong Team.

After dropping two fast tilts the locals romped back into the heavy end of the scoring Sunday when they neatly rolled the Maywood outfit with a six to four count.

It was none other than our old timer, Herb, that made things look so good. Herb was back in the old form again and pitched air tight ball, allowing but two bingles in the last five frames. All told the visitors collected eight swats and three for two sacks. Things looked better Sunday with everyone fighting hard and Herb didn't have to worry as he had some real support behind him.

Locals Score First.

Three men faced Herb in the first frame, then Mochel led off the locals with a single, Karesh followed suit putting Scoop on the far corner. Binder forced Karesh at second and then pilfered a sack. Herb raised one to deep left, Mochel scoring after the catch. Binder was picked off trying to go home on a passed ball. Some good fielding stopped the Maywoodites from registering considerable damage in the second round.

Four Singles for Two Runs.

To even things up Billy Smith opened with a single to center. Scoop bit the dust. After Smith stole second Karesh's sacrifice left him on the far corner. Brick hopped a single to right center, Smith cavorting across with the tying run. Herb sent a fast one to right center, Binder rolling as far as third. Nash gave the apple another ride scoring Binder. Herb was a bit hoggyish and while trying to breeze into third he tangled feet with the third sacker and was eventually tagged for the third out.

Maywood Counts Twice.

Things might have happened in the last frame that would have changed the outcome but they didn't. Herb let a fast one travel a bit wide, socking the batter. A visiting belligerent dumped one in left center for two sacks and one man scored. Then a passed ball put this belligerent on third and he just up and stole home while Herb was in the process of burning across a hot one. But that was all as Herb took a breath and cared for the next three in short order making two of them fan the breezes and throwing the other out at first. Herb's round.

Regulars in Lineup Next Sunday.

Candidly, we think it was a keen ball game. And that the team on the field is as scrappy, as heady, and as good a ball team as is available in these parts. Altho a bit handicapped by the absence of Ted and Bob, the fillers in are playing in great style. Ted and Bob should be back Sunday and their presence will strengthen the batting and speed up the fielding quite a bit. Bill Shanabrook is expected back shortly, so one can readily see that this old ball club is going to bring home the bacon regularly and that they're a hard bunch of fighters but not among themselves. Some of the early games were slow and not very good but things have changed and if you don't know it, come out and look 'em over.

NOTES OF THE BALL GAME

If we know anything about baseball, and we think we ought to, we go on record as saying the Downers Grove Club is up and at 'em, displaying a real, snappy exhibition of the popular American pastime. The old veterans of the local nine are rounding into real form, Herb is back to his old form again and working his goofer in great shape. The young blood is instilling new life and the team as a whole looks keen. Geo. Cline is proving a real find on the first sack while June Ehninger is showing up good in the field and is better with the stick. Next Sunday real things should be looked for with Bob, Ted and Charley Mrkvicka in the line-up again.

Herb usually does a lot of things in one day, but Sunday he did quite a lot outside of fanning ten clouters, three of these in one frame, handling seven chances with no errors, getting two hits, one a single and one a double, both scoring runs and knocking out a sacrifice fly that allowed a run to score, he didn't do an awful lot.

George Cline improves at the first sack every game and we're here to tell you he'll make a real initial corner man before many moons.

Hinsdale reminds us that a couple of their natives witnessed a ball game here Sunday and looked displeased at the good brand of ball seen. Yes, we beat them three times last year.

ST. JOSEPH A. C. WINS FROM ROYAL IN SECOND GAME

Score Was 17 to 9 After the Smoke of Battle had Cleared Away —Two Home Runs.

After the overwhelming defeat of two weeks ago the Royal A. C. came back and asked for another chance to show what they could do with the result that they were handed another razzing by the St. Joseph A. C. to the tune of 17 to 9.

While the score would seem to indicate a rather loosely played game there was some sparkling support given by both teams. In the first inning the St. Joe's turned in a neat double play when Baron gathered up a hot grounder near second, tossed the ball to Wimmer who tagged second base and threw to Moran who completed the play at first. Heinke did some nice fielding for the Royals in center field and at short stop. In the 7th inning he went back of second to flag a fast one off Reidy's bat and made a perfect peg to first.

Manager Boldebeck pulled a boner when he failed to yank Spinader. Although Spinney announced that his arm was O. K. he did not have the old zip on the ball, this coupled with some weird support spilled the beans. Another piece of questionable strategy was displayed when Heinke was not placed in right field in place of Mackinsworth, who utterly failed to stop the drives of St. Joe's lefthand batters.

The Royals looked good in the early innings when they got away to a four run lead, but home runs by Brady and Pete Moran helped knot the count. After that Spinney seemed to tire and was replaced by Olson to late to save the game.

THOR The "Wash-Word" of a Nation THOR Many Downers Grove women have cause to bless the day they purchased a Thor Electric Washing Machine, the great time and labor saving device for the household. There are in use in this vilage more Thor washing machines than any other make and there's a reason. The reason is that this machine washes cleaner, is easier to keep clean and runs longer without any repair than the average electric washer. Come in and see the new all-metal Thor. It's a wonder. SLANDER

Keep up the good work, Mr. Editor. There are some native sons of America who are not above slander, and when face to face with the truth, hide behind their official capacity as a bulwark in denial and cry, "I am being persecuted." Such a man is not only a moral but a physical coward, a traitor to Him who doeth all things well. Such a man is never a leader only in his own egotistical imagination. A SUBSCRIBER.

SCHOOL FUND OF ST. JOSEPH PARISH STARTS TO GROW

Building Committee to Hold First Meeting Soon is Prospect From Returns.

First contributions toward the fund for the addition to St. Joseph's school building to be erected adjoining the present structure on Franklin street and Highland avenue, were received last Sunday morning at the 8 and 10 o'clock masses and these with pledges and promises of additional donations in the near future, make it evident that it will be possible to call the first meeting of the building committee at an early date to develop plans for the two extra class rooms.

Rev. Eneas B. Goodwin, Ph. D., pastor, sent letters to all members of the parish, telling of the decision at the general meeting of parishioners July 19th, to request all working persons to contribute toward the fund. The first response to this letter showed that the majority of people

are anxious to abide by the suggestion made at the parish meeting.

Greater activity on behalf of the fund will be begun this week by the various committees in charge of the program. These include the following building committee: Edward Yackley, Chairman; Joseph Lynch, Joseph Mrkvicka, L. R. Pelling, L. R. Regar, James Twohey, Eugene Yackley.

The women's committee in charge of equipment and furnishings consists of: Mrs. Clarence Briggs, Chairman; Mrs. Ransom, Mrs. McCabe, Mrs. Beidelman, Mrs. Downey, Mrs. Bradley, Mrs. A. Dieter, Mrs. J. Riedy and Mrs. George Kenney. Matthew O. Foley is treasurer of the fund and Peter J. Reiff associate treasurer.

Capital's Famous Avenue. For some years after Washington became the national capital, Pennsylvania avenue is an unkept dirt roadway and at times well-nigh impassable, but when Thomas Jefferson became President he objected to the untidy road and the street was graded and put in fine condition at a cost of \$14,000, for the expenditure of which Jefferson was roundly abused.

"Get It While the Getting's Good" is a slang phrase but it applies to COAL right now. Our advice is "Order Your Coal While the Getting's Good." Conditions are gradually working themselves around to the same as prevailed in the early part of last winter. The mines have not been worked to full capacity during the summer months which makes a shortage at the mines. Added to this is the danger of a serious car shortage. Grain and other things are starting to move very fast with the gradual resumption of business, leaving less cars for coal. Coal will not be cheaper, in the fall or winter, than it is now. So get your next winter's supply in your bins NOW and be prepared for anything the winter might bring. We have in transit and also in stock all kinds and sizes of Coal.
