How to burn garbage, bones etc.— Have it as dry as possible, wrap in newspaper and place on top of fire having plenty of combustible material in it, such as papers (not alid too loosely), twigs, small pieces of wood or pasteboard. If burned without an ample supply of wood and paper, it will smoulder and smoke and give off an odor which is anything but agreeable to the neighborhood.

"The Land of Hope"

She Danced Her Way Into America

On board ship she had danced for the entertainment of the sad, homesick immigrants bound for that strange land—America, and the same nimble toes in their quaint, red-topped Russian boots were to dance into the hearts of the thousands of American theatre-goers. "The Land of Hope" proves that America is ready to crown with success and happiness even the poor immigrant who brings something of beauty and something of genius to her shores.

The little queen was reviewing her royal body guard. Little did she realize, as she stood there in her flashing hussar's uniform that in just a few days she would be wandering, an exile, in America, compelled to earn her bread in an American business office. It is a wonderfully romantic story of crowns and hearts and dishpans and typewriters, called

OVER one hundred Nash automobiles in the Hinsdale distributor's territory! Many of these are owned by men who drove Nash cars before, and would buy no other. Each season finds the larger percentage of Nash cars in this territory, as it does all over the territory.

THERE'S A REASON

No car selling for the prices below gives a larger and more honest value—more performance, greater comfort, durability and driving pleasure. The very few changes made in the mechanism and design of the Nash in the past four years is evidence the NASH of today is PERFECT.

WHY BUY ANY OTHER?

Here Are The New Nash Prices

NASH SIX PRICES		
	Factory Price	Downers Grove
