## BEAR PATROL OF TROOP 3 GETTING THE BEST OF ALL

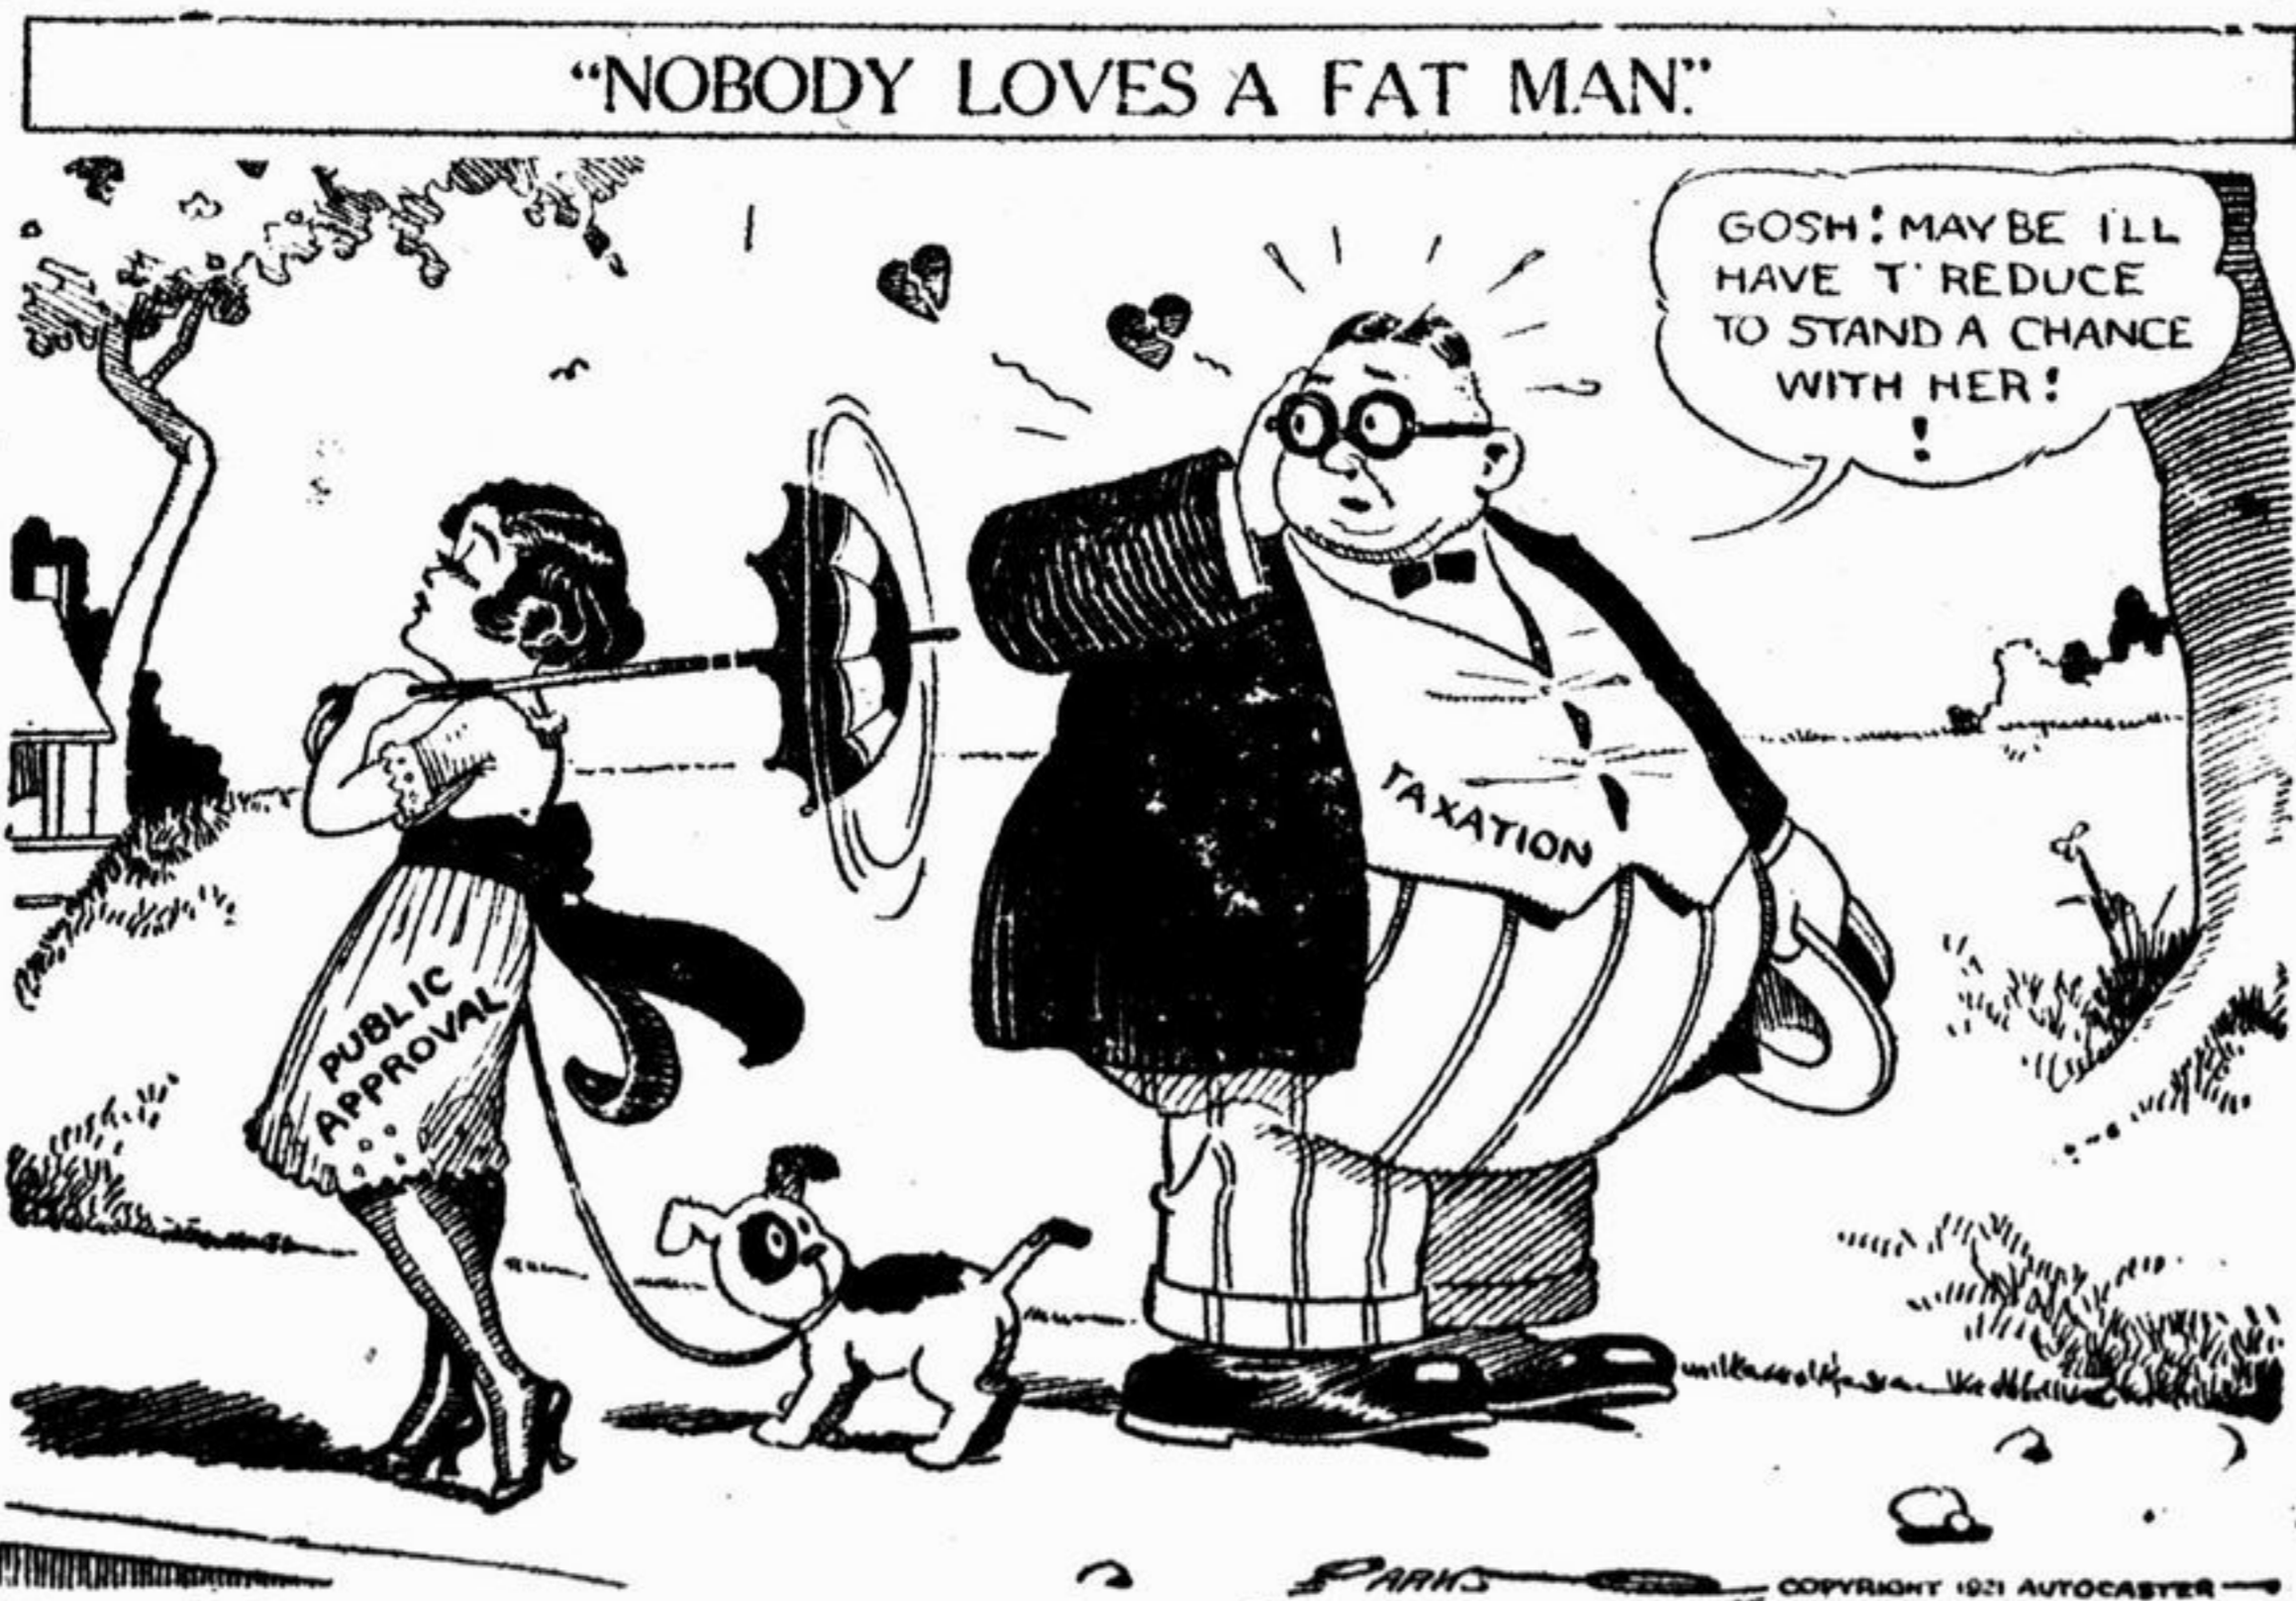

Scouts Have Been Working All Summer—Last August Meeting a Jollification.

Scouting in Troop No. 3 has continued during the summer months in spite of the fact that many of the scouts have been out of town, to camp, etc., etc.

Three more candidates have recently been enlisted and are being trained in some of the fundamentals of scouting by the older scouts to receive credit in one of the first class tests. The Wolf patrol will have charge of the meeting next Tuesday night. Out all you wolves.

The scribe reports that the Bear patrol is in the lead on attendance. In fact, the Bear patrol seems to be getting the best of everything. If you troop three scouts are in doubt about this, ask any bear.

The last meeting in August will be a jollification and general good time ending with eats 'n everything.

## DR. FULLER, PH. D. NEXT SPEAKER AT OPEN AIR SERVICES

Is Head of Dept. of Old Testament Interpretation at Garrett Bible Institute.

Again it was necessary to diverge from the usual path of having the Sunday Evening Services on the M. E. Church lawn because of the cool atmosphere. The Methodist Church was filled and the Sunday School rooms had to be resorted to.

Dr. J. F. Conant was the speaker of the evening and fulfilled all the advance anticipations. His message was one of power and thoughtfulness. His spirit of evangelism was ever manifested and brought forth in a manner new to the usual evangelist. He was an evangelistic sermon of the old type in a new way. Speaking in terms that we all know and readily understand he brought a message to all, renewing old acquaintances with our Maker and Redeemer and making new acquaintances. His sermon was full of the real gospel truths and made each and every auditor a better Christian and a more fit one to face the trials and tribulations of our little life.

The Rev. Conant is a forceful and fearless speaker and ranks among the first of the nation's wholehearted and God-loving evangelists. His coming to our midst was a God-send as he was a distinct help to those who are laboring under adverse difficulties in this stringent time.

The Rev. Gilbert H. Newland has secured Dr. Leslie E. Fuller for the speaker at next Sunday's Vesper Services. Prof. Fuller is a Doctor of Philosophy and is high in educational circles especially in religious work. He is at the head of the Department of Old Testament Interpretation at Garrett Biblical Institute, of Northwestern University at Evanston. Prof. Fuller is one of the real life, up to the minute speakers on religious topics. He has been engaged in educational work for many years. He has spent ten years in the pastorate and during this time has travelled extensively, having

## NEVER MISS AN ADVERTISEMENT

While reading the doings of the community in your home paper each week never fail to also read all the ads. There are many times when you will save yourself money by careful perusal of The Reporter display ads. When buying anything in a local store which you saw advertised in The Reporter, never be a bit bashful about telling the clerk who waits on you that it was the advertising which made the sale. Of course, you know it, we know it and the merchant also knows it, but he hates (like the dickens) to admit it (that is, some of them do). If you will remember to say, "I saw this advertised in The Reporter," it will not only help us, but eventually you, because as the store keepers see that their offerings are read they will offer more at better prices. There is a certain psychology about this which never fails.

## DOWNERS PICNIC IN CALIFORNIA A HAPPY TIME

Officers of Downers Grove Association Elected and All Enjoyed Selves.

An observer strolling thru Lincoln Park Saturday, August sixth, said: "What happy crowd is this?"

That was before dinner and since I have been wondering what they would have said if they had seen us after the cats.

It was one of the largest and most delightful gatherings for all enjoyed the chance for a visit with the friends from HOME in the cool of a beautiful midsummer day. They could hardly take time for the business part of the program. It was the day for electing our officers.

Mr. A. Clint Riddler was re-elected president; Mr. J. Toland, vice-president and Mrs. J. Toland, treasurer. Then I thought it quite important that they have a more successful secretary as I had been busy and neglected all my work this time so I wished it on Cora Blodgett. Then she was elected so Miss Blodgett will keep you informed about our happy little reunions this coming year.

Anyone coming this way please write one of the Picnic Committee as we want you with us at these happy little gatherings.

Ella Chilvers, Retiring Secretary.

## METHODIST CHOR GAVE PLEASANT PARTY TUESDAY

Many Friends Gathered to Wish Miss Lillian Washburn Luck—To Make Home in Texas.

The Methodist Choir gave way to frolic Tuesday evening and gave a farewell party to Miss Lillian Washburn, who leaves tomorrow for her future home in Texas. The home of H. C. Chambers was resplendent with happiness and mirth intermingled with a strain of regretfulness and sorrow at Miss Washburn's leaving.

The evening was spent in playing games, bunco receiving the usual popularity. Song was resplendent as the group sang all varieties with equal vigor. Miss Washburn was presented with a lovely spoon, in fond commemoration of her work in the church and her long services with the choir.

The guest of honor goes to Texas to join her father, who has been there some time. A feeling of deep regret is harbored by her numerous friends who have learned to love her and will miss her beyond mention.

spent some time in China, Japan and India in the Mission fields.

Prof. Fuller is a student and a thinker. He brings a message to his audience which is full of thought and spiritual helps. An eloquent speaker, it takes him but a short time to fill his audience with awe and reverence. It is assured that his sermon will be one well worth hearing and that a good audience will be present to hear a teacher of our future ministers.

## COUNTY CANDIDATE FOR STATE SENATE STARTS CAMPAIGN

Dr. W. V. Hopf, in Swing Around the County, Gets Assurance of United Support.

DuPage County is to have a candidate for the State Senate. This fact was finally arrived at this week when Dr. W. V. Hopf, of Wheaton, present Coroner of DuPage, made up his mind to make the race. In a swing around the county this week he is getting the assurance of all that he will have the united backing of the Republican party in his fight to give DuPage County direct representation in the state senate.

Being hooked up with Will County and that county having a much larger vote than ours, has always worked against DuPage having direct representation in the state law making bodies. Out of the one senator and three representatives all of them, are from Will County and have been for so long that the politicians down there think it cannot be otherwise.

"Dick" Barr, who has represented this district in the state senate since the year of the big wind, has lost quite a large part of his following in the last few years. Will County, once solidly his, has been split into two or more factions. DuPage County always gave him a wonderful vote, something which he never appreciated, until last year when this county went against him in his race for the Attorney General's office of the state.

Next spring there will be at least three Will County candidates for the place. This will make an awful split in the vote down there and with DuPage County voting as a unit for a DuPage County candidate, that man can win.

Dr. Hopf is well known here as a man who can be trusted to represent the people in any capacity. He is well liked, has a manner which immediately gives confidence to those he meets in his integrity and soundness and will make a race that will make the Will County bunch hold their heads in despair. After he is assured that DuPage County will be solidly in back of him he will devote all his time to Will County. This should prove a vote getting scheme which will put him over.

## MRS. FRANK JAZWIEC

Funeral services were held yesterday afternoon, Thursday, August 25, for Mrs. Henrietta Jazwiec at her home on Prairie avenue, the Rev. G. H. Newland of the Methodist Church officiating. Burial was made in the West Side cemetery.

Mrs. Jazwiec died early Tuesday morning after an illness following the birth of a daughter six weeks ago. The family moved to Downers Grove a month ago from Chicago so that she could get away from the crowded, stuffy conditions in the city, but to no avail.

Beside her husband and little baby daughter, she leaves a mother to mourn her loss.

## CLASSIFIED AD SEASON COMING

The season when the little classified advertisement is at its best is almost upon us. People are already beginning to get the moving fever, they are looking over their furniture deciding on dropping this article or picking up that. This is the time when many articles change hands. The time when the housewife decides that she must have something new and therefore the old can be purchased cheap. If you want anything, advertise for it. If you have anything to sell, advertise it. The little classified ad is the medium which brings buyer and seller together at a small cost. Reporter Classified Ads pay. Try one, the cost is low—thirty-five cents for one week if paid cash, fifty if charged and seventy-five cents for three weeks, cash; one dollar if charged, for a minimum of five lines; more at regular rates.

## MILK PRODUCERS EXPECT THOUSANDS AT PICNIC AUG. 24

Greased Pig, Races, Ball Game, Music and Dancing a Few of the Many Attractions.

Thousands of people, farmers, business men, and residents of DuPage County in general are expected to be present next Wednesday, August 24, at a picnic at Lisle given by the locals of the Milk Producers Association of the county.

Many attractions have been arranged for the amusement of those participating. There will be an old fashioned greased pig who will go to the one catching him. There will be games of various kinds, races, with a good prize list; music dancing, refreshment booths and everything one usually finds at a picnic with a few additions.

Promptly at ten in the morning the autos, wagons and carry alls will begin rolling into the beautiful shady woods on the Ed. Riedy place which will mark the opening of a big day. At two in the afternoon there will be speaking by W. J. Kittie, Frank Holt, E. C. Rockwell and ex-Gov. Deneen. Every one of these men will bring a message which will interest everyone.

Following the talks, which will not be too long to be enjoyable, will come a big baseball game between the milk producers and the merchants. This should prove a great event and the score may take an adding machine.

At 7:30 one of the well known Benson orchestras will start tinkling on the old banjo and the rest of the instruments making those well known strains which start one's feet to itching and make one long to dance. That longing will easily be satisfied for there will be a fine floor and those who wish to dance can easily do so. At ten o'clock a special Benson feature will be given on the dance floor which will go well with the snappy music this outfit always puts out.

Those in charge of the affair are, Carlton Nadelhoffer, general chairman and advertising manager; Fred Landorf, secretary; Herman Schultz, races and amusements; Ed. Cartle, dance floor manager; Elmer Kampmeyer, tickets; Dave Meyer and Ed. Riedy, all around assistants. With these workers and others putting all their efforts into making this the biggest, most enjoyable, most democratic and best attended picnic ever held in the county, it should prove a winner.

Women of the community are arranging to decorate the grounds and booths, adding that feminine touch which will make the picnic grounds attractive.

In case of rain the picnic will be held on the following Saturday.

## ANNUAL FESTIVAL AT OLD PEOPLE'S HOME AUGUST 28

Thousands Expected to Attend Fair at Bensenville—Good Speakers to Talk.

The friends of our Orphans' and Old People's Home will undoubtedly be happy to hear that our Annual Festival will again be held, and that at this time a special treat will be in store for all guests. A special service will be conducted in the morning, with a sermon by Rev. A. W. Fruchte, and songs by the orphans of our home. In the afternoon at 1:30 English service with a sermon by Rev. H. W. Dinkmeyer, afterwards, beginning at 2:45, a concert will be given by the Ballmann Band, known as one of the most favorite bands of Chicago.

A great number of guests are expected for the festival. The Committee therefore has made extensive preparations to meet all demands as in regard to lunch, coffee and refreshments of all kinds so that every one can be assured of prompt and courteous attention.

The Orphan's and Old People's Home Society of Northern Illinois invites all friends of our Home most cordially to some to our festival Sunday, August 28th.

"Let us not be weary in well doing; for in due season we shall reap, if we faint not."
