

LOCAL NINE WINS; HINSDALE HERE NEXT SUNDAY

Legion Team Takes Easy Game From Elmhurst 9 to 1—Bielby Allows 2 Hits.

Table with columns: Downers Grove, Elmhurst, AB, R, H, C, E. Rows list players like Mochel, Carpenter, Shanabrook, etc.

TOTALS table for the game between Downers Grove and Elmhurst.

Three base hits—Mochel; Binder, 2. Base on balls, off Bielby—3; off Hagerman—3; off Cy—2. Wild pitches—Cy, 1; Bielby, 1. Struck out, by Cy, 5; by Bielby, 8; by Hagerman, 3.

The local American Legion nine took an easy game from the Elmhurst aggregation last Sunday at Memorial Park by the score of 9 to 1. Elmhurst had no show against "Steve" Bielby, who pitched for Downers and allowed but two hits, one in the third and the other in the eighth. He was not forced to extend himself and probably could have pitched a no hit game.

Hinsdale Next Sunday

Next Sunday is the crucial game of the season for the local boys when they cross bats with our Hinsdale neighbors again for the third and deciding game of the series.

Last year Downers took the entire series of three games from Hinsdale and the teams have split even in the two played so far this season. Hinsdale seems to have a much stronger line up this year as they gave the locals stiff opposition in the first game which they lost and on Labor Day beat the Legion nine 6 to 4.

Almost the same men will line up next Sunday and it should be a whale

of a game. Theidel will most likely be on the mound for Hinsdale, with McElhone receiving. Manager Binder states that Herb Ehninger will draw the hurling assignment for Downers, and Herb has the Indian sign on the Hinsdale outfit, with the old reliable Grant Nash holding him up behind the plate. Herb has vanquished the foe three times and should come thru again next Sunday.

Following is the probable line up for Sunday's game:

HIGH SCHOOL "PEP SESSION" LAST FRIDAY A NOISY TIME

Talks, Cheers and Music Filled the Air at Main and Curtiss for Athletic Association.

The Athletic Association of Downers Grove High School has many members due to the "Pep Session" held at Main and Curtiss streets last Friday evening.

This is the first affair of this kind ever put on by the local school and it was a big success, both from a financial and a noise standpoint. High schoolers were out in full force, ably backed by townspeople who found what a lot of noise can be made by students with a good cheer leader.

Principal "Sam" Vernon did the announcing, introducing A. C. Miskelly, President of the Board of Education, J. F. Reed, Superintendent of Schools, Jay Allison, Commander of the local Legion Post, and other three minute speakers. All of them stressed backing the athletic teams in their endeavors this school year and the schools in particular in any way they could.

Coupon books, good for refunds at any school games were sold, and pep for the coming football season injected into highschoolers and townsfolk alike.

Songs, cheers and placards greeted the ear and eye on every side. Led by Cheerleader Jack Fisher, ably seconded by Vernon, himself, the students demonstrated how they will yell when Downers meets some ancient foe on gridiron and basketball floor this fall and winter.

Seemed Only Explanation.

Wilbur had seen the various peddlers come through the alley with horses and wagons pulling their wares. So when the scissors grinder appeared one day carrying the bulky machine on his back there seemed to be but one explanation possible to the lad.

We doubt if ever the screen has had upon it so real so genuine, so extraordinary a masterpiece, contrived from simple, every day and almost humdrum fragments into complete and definite emotion, as "The Old Nest" to be shown at the Dicke Theatre, Friday, Sept. 23d. 9-23-1

If people realized how little it costs to insure their property against loss or damage from tornado or windstorms, they would not go to bed at night without being so insured. Ed. ward G. Lemon & Co., write such insurance in the best of companies at a cost of only \$8.00 for a term of three years, for any amount of loss or damage sustained up to \$2,000. In other words, it costs only \$1.33 per year for each thousand dollars of insurance. Settlement of \$772.50 was made today for loss sustained by one of their clients in the storm of Sunday night, Sept. 5th, and the policy was written by Mr. Lemon only two weeks before. 9-23-1

WOMEN VOTERS HOLD MEETING NEXT TUESDAY

Mrs. A. M. Simonds, Citizenship Chairman of Illinois League, to be Speaker.

The next regular meeting of the local branch, Illinois League of Women Voters, will be held next Tuesday, September 27th, at 2:30 at Library Hall.

Mrs. A. M. Simonds, Citizenship Chairman of the League and a member of the faculty of Northwestern University, will be the speaker of the afternoon.

One of the primary purposes in organizing the local branch was the study of citizenship for women. With this in view, Mrs. Simonds will outline a program of study to be followed by the women.

Interest in the League is growing, as is evidenced by the large attendance at the meetings and it is thought that by the end of the winter much good will have been done.

Travel of Light and Sound. Sound is said to move at the rate of 30 miles a minute, and compared to light, it is slower than a snail. If we should hear a clap of thunder half a minute after a flash of lightning, we could calculate that the discharge of electricity was about six and a half miles away.

REPORT SUNDAY A. M. FOR FIRST GRID WORKOUT

Legion Men to Elect Captain and Manager for the Season at Memorial Park.

All football players of Downers Grove, desirous of making the Legion eleven this year, will report for first practice at Memorial Park at 10:00 o'clock next Sunday morning. One of the first things the squad will

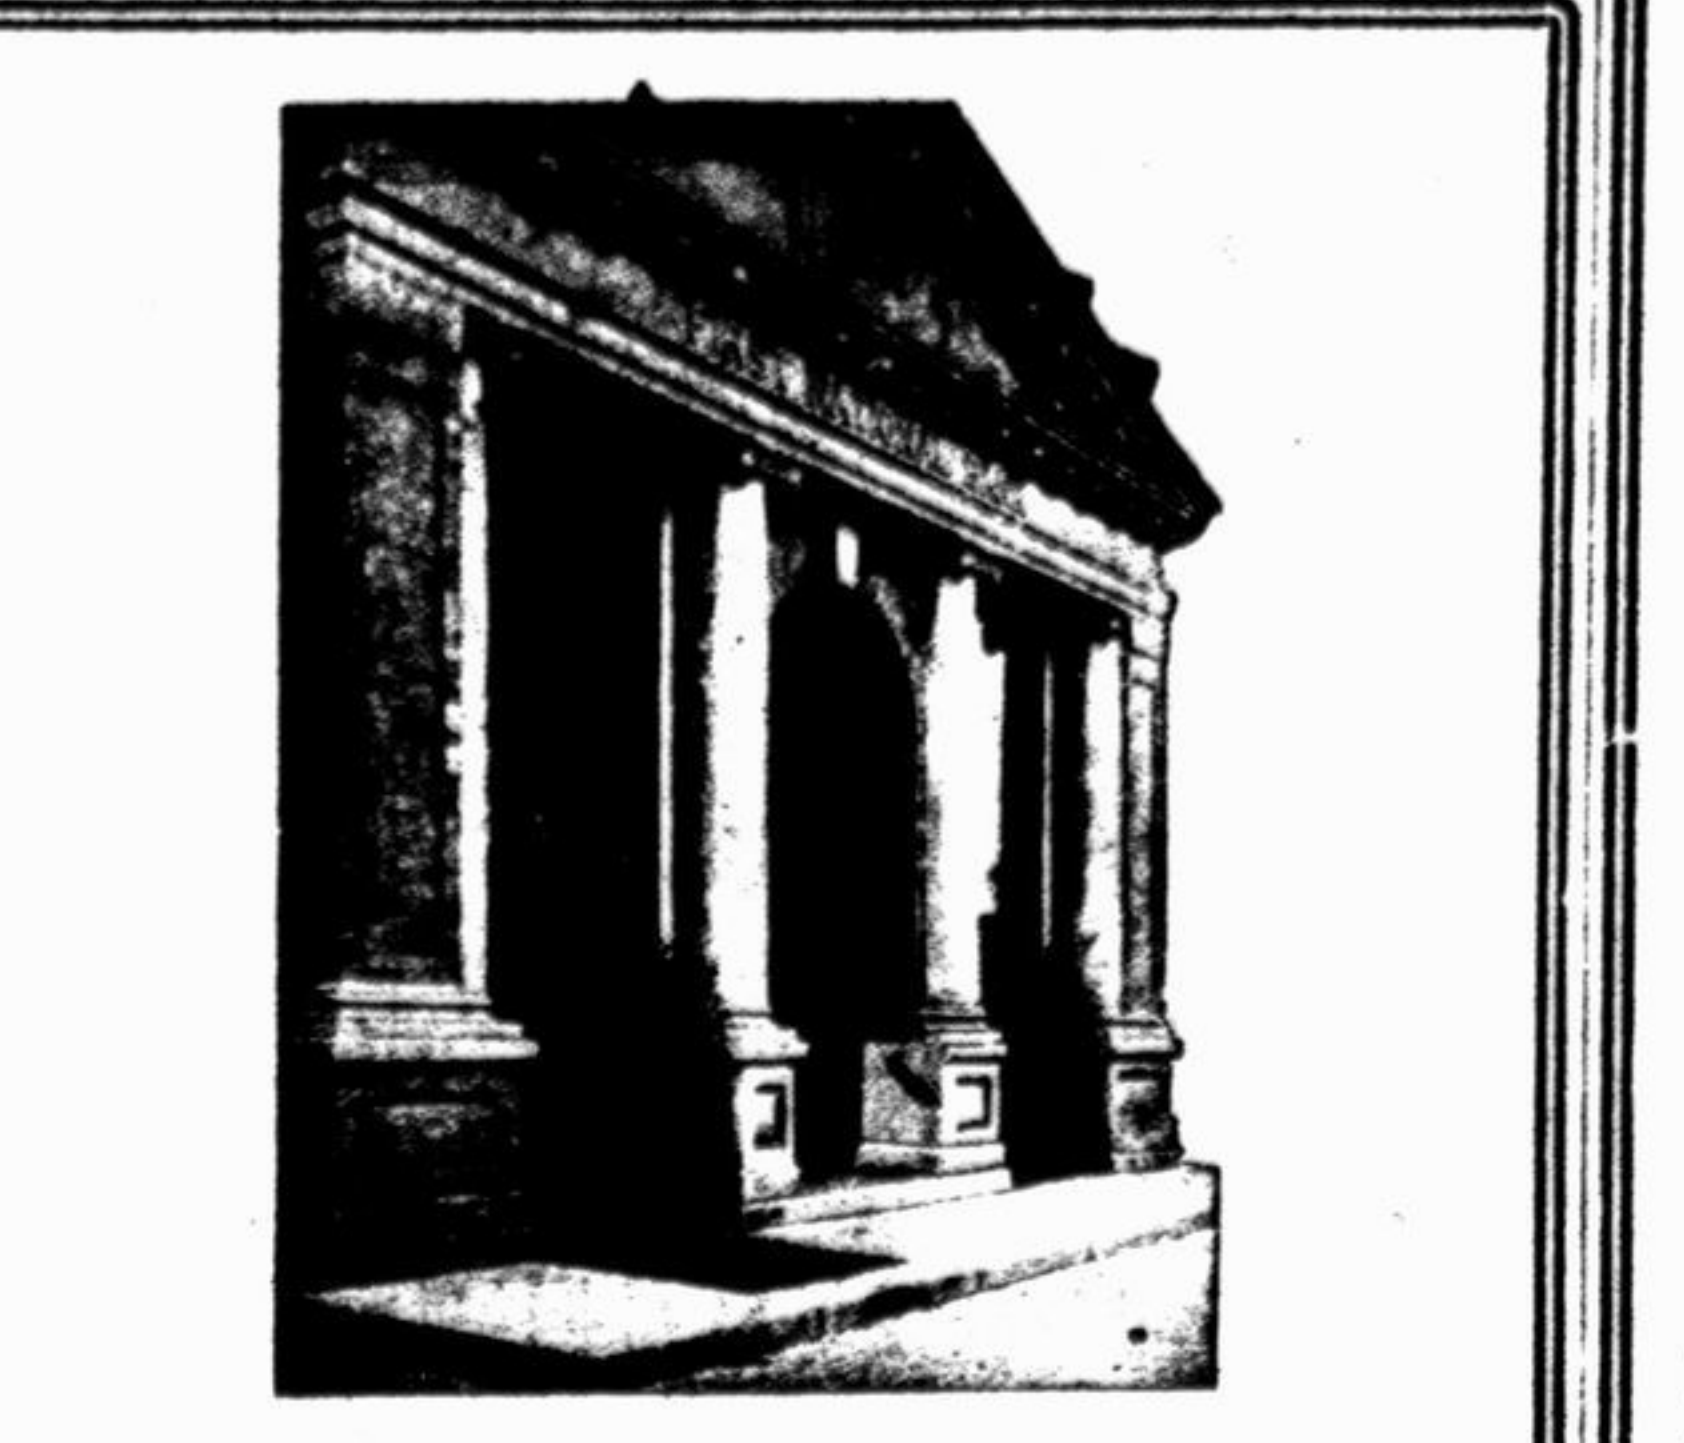

do will be to select a captain and manager for the season. Those interested in football will remember the winning team which played under the Legion colors last fall. They cleaned up on nearly every team they met, and came thru with flying colors. This year's team, we believe, will be no exception. Nearly every man who played last year has signified his intention of getting out and the prospects are good. Everyone who wants to play is urged to report next Sunday morning at ten o'clock.
