THE GUILD POETESS

Soon the Women's Guild and Auxiliary of St. Andrew's Episcopal Church will hold their Second Annual Bazaar. Inspired by the coming event the poetess of the organization took her pen in hand and wrote the following sonnet, or whatever you call it.

It's a good boost, anyway--

Some ladies of Saint Andrew's Guild Who wanted the Rectory to help build Decided to make

Some aprons to take To the Bazaar that was soon to be billed.

How they worked and they worked! Not a one of them shirked!

Of ideas they dreamed Until Aprons, it seemed,

'Round them everywhere lurked! Soon the piles grew and grew Of fine Aprons--so new.

Every kind You will find Your supply to renew.

There's much more to relate-- But just watch for the date.

Dick's Hall, Soon this fall, Now, don't come too late!

Resolution of Respect

The alarm call of the death watch has again sounded through the camp of the Downers Grove Modern Woodmen of America. The Axe, Beak and Wedge have been laid aside during the sad rites of our esteemed neighbor Thaddeus E. Brooks, who on Saturday, August 27, 1921, gave up his great fight for life. He was courageous and manful but the struggle was too great.

To within the last few years in which he has been so deeply engaged in business, he was a faithful attendant at our camp meetings, and was always willing to help any member that was in need.

It is with great sadness that this Camp joins in its sorrow with those of his family who so deeply loved as a husband and father.

Resolved that the above resolutions be spread upon the records of this

Camp and a copy sent to the family of our deceased neighbor. And published in the Downers Grove Reporter.

CHRISTMAS SEALS 30,000,000 OF THEM FOR HEALTH WORK

Illinois, Outside of Cook County, Asked to Buy Great Amount of "Health" Stamps.

Christmas Seals, 30,000,000 of them! That is the number the Federal Tuberculosis Association has ordered for the sale campaign in the state, outside Cook County.

If placed end to end the seals will reach a distance of 500 miles from Cairo to the Wisconsin State line. Every seal carries a message of hope to the sick and a "Merry Christmas" and a "Healthy New Year" to all. Distribution will be made in October through local Tuberculosis Associations and Committees.

It is expected that approximately 250,000 will be realized from the sale of the thirty million seals. The county retains seventy-five per cent of the proceeds for health work in their localities. The other twenty-five per cent goes to the State and National Associations, the directing bodies of tubercular work in the states and nation.

Tubercular work in the United States, reaching even the remotest community, is financed by funds derived from the sale of Christmas Seals. In addition to the seals, beautifully engraved convenient health bonds are offered for sale to the larger contributors.
