She is well known in Eastern Star circles through her work and due to this fact most of the chairs Tuesday evening were filled by Grand Lecturers.

"Alias Jimmy Valentine"

No need to explain who Jimmie Valentine is. He's more notorious than leap year—and fully as dangerous. He's craftier than a twice-widow stalking her third victim; and stouter of heart than the man who marries her.
 The most magnetic male star of the screen in a play more famous than the 18th amendment and many times as popular.
