WILL ROGERS' BOYS WILL BE BOYS

Based on the story by Irvin S. Cobb and the play by Charles O'Brien Kennedy

Directed by CLARENCE BAKER

Irvin S. Cobb never wrote a funnier, kinder or more human story than "Boys Will Be Boys." It is as flavoured of Kentucky as a mint julep. It will have the same effect on your heart that a good mint julep has on your system—a warming, enlivening influence which will stay with you until you get home and will be revived every time you think of old Peep O' Day as interpreted by Will Rogers.
