Mr. and Mrs. Chas. Parks and Mr. and Mrs. A. P. Nelson fished for Petite Lake Sunday morning for the hunting and fishing. They got but few of the latter, the water being very high but Charlie succeeded in bagging nine fat mud hens to grace the dinner tables of three families.

Mr. and Mrs. Lawrence Reger entertained a few friends at five hundred on Tuesday evening. Those present were Mr. and Mrs. N. P. Brettner, Mr. and Mrs. Austin and Mr. and Mrs. W. J. Staats. High scores were made by Mrs. Reger and Mr. Staats, consolation prizes going to Mr. and Mrs. Austin.

Mrs. Elmer Mochel entertained at dinner on Wednesday at her home in North Main street. Those present were McDames Malone and Lensing, of Oak Park, J. Staiger, P. Mochel, E. Marchand, J. Ferguson, C. Wolff, C. H. Staats, J. Severus and A. Severus and children, of the Grove.

Blanche Sherman Merriman will present a program of piano music at the Grace Church Guild Hall, Hinsdale, Thursday evening, October 13th at 8:00 o'clock. Mrs. Merriman is a pianist well known in Chicago and suburbs and all who hear her are delighted and will anticipate this evening of music with pleasure.

The choir of St. Mark's M. E. Church, Chicago, has been secured to sing at the bazaar to be given by the M. E. Philatheas on November 10th and 11th. This is the largest and best colored choir in this vicinity and the quality of the music they render is extraordinary. They will be here on Friday evening, November 11th.

A very delightful affair was the shower given at the home of Mrs. W. J. Krabs for her sister, Miss Bernice Littleford last Friday night. Miss Littleford will be an October bride. About thirty-five guests were present and many beautiful gifts were received from those present who wished the bride to be many happy years of wedded life.

Dr. and Mrs. C. F. Menninger, of Topeka, Kansas, en route from their home to New York City by automobile, stopped off here Sunday for a visit with their friends, Mr. and Mrs. H. S. Dum, of Saratoga avenue. Mrs. Menninger is a rather famous Bible Class teacher, having one of the biggest classes in the Presbyterian Church there. For several years she taught at the summer institute at Lake Geneva.

C. H. and W. J. Staats, of the Grove and "Bill" Skeels, of Hinsdale, motored to Pistakee Lake Saturday for a week end fishing trip. They had the trip but that's about all. In another party, bent on getting a few feathered trophies there was Max Eichelmann, Marcey and Frank Hall and Elton Staats, all in Eichelmann's Ford speedster. They were a little more fortunate, getting a few mud hens and one Mallard duck.

A group of young people surprised Edward Offerle Wednesday evening at his home on Prince avenue, it being his 16th birthday. Those present were: Arnold Schrank, Jack Pfau, Glenn Weatherbee, Ray Klein, Arnold Klein, May Binder, Anna Grotfeld, Alice and Esther Zell, Anna and Emma Peters, Esther Klein and Clara Johnson. The evening was spent in playing games after which refreshments were served. The young folks had a fine time.

About fifty members of Bluebird Rebekah Lodge crowded into the home of Mr. and Mrs. G. A. Hoegren.

of Middaugh avenue, last Saturday evening at a farewell surprise party. Mr. and Mrs. Hoegren are leaving on next Monday for Nebraska where they will make their future home. The lodge presented them with a beautiful silver cake plate as a token of the esteem held for the Hoegrens and wished them well in their new home. Refreshments were served.

There will be a social and entertainment at the Baptist Church on Friday evening, October 7th. Gifts for the "Ship of Fellowship" to be sent to the Russians will be brought by the members of the church and Sunday School. Dr. E. J. Price, cartoonist for the Sunday School Times, and Professor in Moody Bible Institute, will give one of his illustrated lectures. Avail yourself of this opportunity to hear Dr. Price. It will be time well spent. A silver offering will be taken.

John Friday, a member of an extra gang resurfacing the "Q" road bed between Lisle and Belmont, was struck by No. 10, east bound flyer, and severely injured Tuesday afternoon. With several others he was attempting to get a hand car off the trucks before the train struck it. He suffered a compound fracture of the left arm and a fractured skull. Dr. G. B. Tope was called and attended the injured man's wounds in the baggage car of the train while it speeded toward Chicago. Friday was taken to the Presbyterian hospital where an operation was performed Tuesday evening by Dr. Tope.

ST. JOSEPH A. C. FOOTBALL TEAM TO PLAY SUNDAY

The married men, while they did not put it over the St. Joe youngsters certainly displayed a surprising amount of pep and incidently they kept the young fellows hustling to come out on the long end of an 11 to 8 score.

Brady drew the twirling assignment for the St. Joe's and was fairly effective. B. Moranze was on the mound for the old timers and pitched a good game although his support was weak.

This game marks the closing of the baseball season and all hands are working hard to make the football team a success. Not a little difficulty is expected, however, as the majority of candidates for the team have had no previous experience with the pigskin.

The coaching of the lads is another source of worry as up to date they have been practicing without the guidance of an older head, and that means a team lacking not only the finer points of the game but sometimes the fundamentals.

The Aurora Hawkeys have been scheduled for Sunday at Memorial Park at one o'clock. This team is an aggregation of high school stars from the East and West Aurora schools and they hold the enviable record of ten straight wins last year and this year have already defeated the heavy Oswego eleven.

All those things that are objectionable to some people in serials have been left out and yet the picture is packed with thrills that were part of the life of the early pioneers. In short, this is a big feature too long to be shown in one evening and for that reason only will be shown in chapters. Watch for the date of the first showing. 10-7-1
