

GLEN ELLYN AND DOWNERS IN BIG GAME TOMORROW

St. Albans, of Sycamore, Badly Beaten in Last Half of Contest Here Saturday.

One of the big games of the high school football season will be played tomorrow (Saturday) afternoon, at Glen Ellyn when the local high eleven will travel to that village to play the Glen grid warriors.

Since the starting of the high school at Glen Ellyn there has been keen rivalry between teams, and especially football teams, representing that school and ours.

Both teams are, as usual, confident of victory. We are not very good at making predictions, but this we will say—Glen Ellyn will know they have been in a football game after tomorrow.

Three Straight Wins.

Cleaning up on St. Albans school, last Saturday afternoon on the local field gave the D. G. H. S. eleven three straight wins in three games played for the season.

Playing unbeatable football after the first quarter the locals trimmed St. Albans school of Sycamore last Saturday afternoon at Memorial Park by the score of 25 to 7.

Making their first, and only, touchdown in the first quarter and apparently disorganizing every play Downers started, St. Albans appeared to be the winner. But—its a big but—Downers came back strong and rushed St. Albans off their feet, scoring almost at will.

This is the way the high school team has started every game this season. In the first quarter of half, they cannot get started but always come back strong later.

The work of no individual stands out very much in last weeks game. The team plays as a team. They do not depend on one or two men to do all the work.

OAK PARK FRIARS, FAST ELEVEN, HERE FOR SUNDAY GAME

Legion Won From Sheridan Athletic Club in Fast Contest—21 to 0 Last Sunday.

Being great football last Sunday afternoon the American Legion eleven took a fall out of the Sheridan Athletic Club of Chicago, on the local field to the tune of 21 to 0.

The heavy line of the Legion eleven was a stone wall on the defensive, the visitors making very little ground thru the line, only making a few short passes which were good for a little ground.

The backfield of the local team was working good, with George Cline at right half and the old reliable full-back "Slippery" Downer, and the fleet footed left half, "Dutch" Mochel under the direction of Frank Allison, quarter back. All played a great game for one who has been out of football for eleven years and the manner in which he mixed the plays was great to look upon.

Cline and Downer gained many yards thru the line and "Dutch" Mochel got away for good gains around either end. Paul Vaughan played his usual good game at right end. Louis Stevenson must be given a hand as he held down left end for the first half and certainly delivered the goods.

The Legion team is practicing hard for their next game to be played here Sunday, October 16th, when they tackle the Oak Park Friars.

Not only is the Oak Park Friars a fast team, but they have the weight and experience to play great football. The game should be one of the best of the season.

Come out you rooters and give the boys your support.

Downers scored the three touchdowns and Brown kicked the goals making a score of 21 to 0.

Following is the line up of the Legion team.
Cline, G., R. H. Allison, F., O. B. Mochel, R., L. H. Butler, R. T. Downer, O., F. B. Vix, Dexter, L. T. Brown, Roth, C. Vaughan, R. E. Gallup, Moran, L. G. Roth, Antkowiak, R. G. Stevenson, Vix, L. E.

Markham—Littleford

A very pretty home wedding was celebrated Wednesday afternoon at the home of Mr. and Mrs. Jackson Littleford in Grove street, when their daughter, Bernice Viola, became the bride of Mr. William C. Markham, son of Mr. and Mrs. Geo. E. Markham of Spring Valley, Minn.

The Littleford home was prettily decorated with autumn leaves and the bridal pair met under an arch of greenery, the bride looking very beautiful in a gown of brown canton crepe and carrying a shower bouquet of white bride roses.

Relative and close friends of the vicinity to the number of thirty witnessed the ceremony which was followed by refreshments.

They left shortly after the ceremony for a short honeymoon, destination unknown, and will be at home after the first of November to their many friends in Carpenter street.

Real Generosity.

A couple of Yankee deacons were talking of a prominent citizen of who a liberality there had always been considerable difference of opinion. "Well," said Deacon Diggs, "I have always held that Brother Brown was one of the most charitable men in this town. For instance, I have never known him to refuse to lend his plug hat to anybody who asked him for it."

Our Business.

It is therefore our business carefully to cultivate in our minds, to rear to the most perfect vigor and maturity, every sort of generous and honest feeling that belongs to our nature.—Edmund Burke
