#### NEWS OF THE LOCAL SCHOOLS

Fourth grades are beginning a study of Home Geography; laying a foundation for geographic thinking with ball and them in an interpretation of the material in this course is to be continued in later years. Teachers and pupils are lead in a concrete study of their own community. The study of distant regions is postponed until these studies of home conditions have had a foundation for work.

Reed's room has visited the dairy at Lish and a fine dairy has been seen near the creamery. The course in Mr. Parrish in making this trip possible is much appreciated.

The use of moving pictures in our school will be resumed at an early date. The selection of reels was made by Mrs. Whiffen, Miss Herring, Miss Goodwin and Supt. Reed.

Model Room for teachers and girl students in the High School is receiving the serious consideration of home representing the Parent-Teacher Association and a suitable place will be available shortly.

Invitations were issued on Friday evening to the social community of the North Side 8th Grade for a Halloween party to be held on the afternoon of Oct. 30th, from 4.00 to 6.00 p. m.

Manning was given a beautiful shower one day last week by the pupils of her room. Every possible fruit was generously represented and most tastefully arranged.

Annual State Teachers' Association (Northeastern section) com-

prising the seven adjacent counties in this corner of Illinois meets at Elgin on Nov. 4th. On the program are Prin. W. B. Owen, of Chicago Normal College, Prof. H. C. Morrison, University of Chicago, Dr. Rachelle S. Yarros of the U. S. Public Health Service, Senator Harold Kessinger, Gertude C. Lieber of the Illinois Federation of Women's Clubs, Margaret Healey of the Chicago Teachers' Federation.

The South Side 7th Grade entertain with games and song after school on Thursday afternoon in the gymnasium. Invitations were handed out Monday.

A number of our teachers have applied for and are at work on the Normal Course of Instruction in Palmer Writing.

This instruction is free to the applicants, the weekly drills are corrected and suggestions for improvement returned from the central office in Chicago. Teachers who devote fifteen minutes daily to this work for a period of six months can complete the course. This effort on the part of our teachers will have its effect in both instruction given and results obtained in our writing work in all grades.

Mr. H. D. Trimble, High School visitor from the University of Illinois, visited us on Monday afternoon. His report of conditions both physical and educational was made to the Board of Education at the High School in the evening. Our standing as an efficient school is measured periodically by one of three men from our University and this report is weighed by the North Central Association of Colleges and Secondary Schools in view of our continuance as an accredited school.

### WOMEN BOWLERS MEET AT ALLEYS NEXT WEDNESDAY

Gather to Discuss Details and Arrange for Local Ladies' Ten-Pin League.

Local women, interested in bowling and in the formation of a league, will meet at the Dicke Alleys next Wednesday afternoon, November 2d. The alleys will be open from two to five for the ladies to organize a bowling league and all those interested are urged to come.

Owing to the fact that there are so many leagues this year it is impossible to have a ladies night, but arrangements have been made for any afternoon they desire during the week.

Smaller balls, lighter in weight, will be placed on the alleys the following week if it appears that the women of the community really desire to bowl. There will be a man in charge of the alleys and the only drawback is pin spotters. On account of the pin boys attending school it is impossible to promise to have a force on hand. The women are invited to bring anyone who will set up the ten pins for them.

### VISITED STARVED ROCK

Mr. and Mrs. Harold Hindman and son, Mr. and Mrs. Ralph Lewis and daughters and Mr. and Mrs. Frank Bruns and daughters, were most delightfully entertained at the beautiful home of Mrs. E. Mohr, at Ottawa, Illinois, the past week end. Mrs. Mohr being Mrs. Lewis' mother. The party visited Deer Park and Starved Rock on Sunday, the day as well as the trip being most ideal. The trip was made in Mr. Hindman's car which always holds a jolly crowd. Among other guests entertained in the home were, Mrs. Bolton, of Long Beach, Calif., Mr. and Mrs. H. Hansen, of Rogers Park, Mr. and Mrs. J. Mohr, of Ohio, and Mr. Livingston, of Moline, Illinois.

### CARD OF THANKS

We wish to extend our thanks to our many friends for their kindness during the recent illness of our beloved mother and sister, also for the sympathy extended us and the many floral offerings during our recent bereavement.

## Gas Bills Spell Economy?

This organization offers a service that is constant in an endeavor to help every household save money.

We are interested in having you get the most for your money out of the gas you use. We want you to make your gas bills thrift bills.

The reason we desire this is because we know from business experience that waste of gas means big bills, complaints, investigations, re-checking, letter writing, delayed payments and other expenses, which, when taken together, mean dissatisfied customers.

Satisfied customers are worth more to us than any revenue derived from wasted gas. We want no money we do not earn.

We live up to this policy every day and are glad to aid you in choosing the most economical gas appliances and tell you how to avoid waste by using them intelligently.
