HIGH SCHOOL GRID GLADIATORS MEET CICERO TOMORROW

Hard Football Game on Local Field Promised—Naperville Here Next Saturday.

Eleven representing the J. Sterling Morton High School, at Cicero, and the Downers Grove school meet tomorrow afternoon at Memorial Park in a hard game. The locals have not played for two weeks and are just rarin' to go, with several of the best players out on account of flunks in various studies. The visiting team is touted as a good one, and a great game is looked for.

Next Saturday afternoon, November 12th, the Naperville high school eleven comes here to meet the locals and they have a strong team this year. They have been the only eleven which has scored on Wheaton in the county games.

Wheaton was walloped last Saturday in their game with Scott High School at Toledo, Ohio, 35 to 0. Hinsdale has cleaned up on Glen Ellyn, which held Downers to a 0 to 0 score. Looks as if Hinsdale has improved.
