and grow up with is the birthright of every child. To add one book of rare quality each year to a child's own personal library is to lay up enduring treasure for him.

On Saturday afternoon, November 19th, Children's Book Week will end with a Library Benefit Motion Picture at the Curtiss Theatre. The picture is taken from Mark Twain's story of Huckleberry Finn.

COUNTY Y. M. C. A. PARAGRAPHS

The County Committee of DuPage County Y. M. C. A. held its quarterly meeting this week. A general report of the work was given. The Committee are well pleased with the start that has been made and are planning to extend the work in the county.

The Secretary of DuPage County this week received a number of copies of the announcement of the 8th Annual State Older Boys Conference of Illinois. This conference will be held at Decatur November 25-27. DuPage County should have at least twenty boys at this great meeting of older boys. Mr. Caster will be glad to give information to any boy who is interested in going to the conference.

The week of November 6 to 12 is to be known as "Father and Son Week." The Y. M. C. A., the Boy Scouts, and the Sunday School all join in this nation wide movement for a closer relation between father and son. Mr. Caster has on hand a number of copies of the "Father and Son Idea" which contains a great many helpful suggestions for the program of this week. He will be glad to furnish them free to anyone interested in the movement.
