

PERSONALS

The Organized Adult Bible Class of First Evangelical Church met with Mrs. George Diener, of South Main street, Tuesday evening for the monthly meeting. Mr. Fred Vogler led the discussion of "Present Day Religious Problems of South America." It was a very profitable evening.

Miss Lillian Wander entertained the girls of the Y. B. C. sewing club Tuesday night at her home in Prince avenue. Delicious refreshments were served and an entertaining evening enjoyed. Those present were Mrs. Grace Timpke and the Misses Ida and Grace Shannabrook, Ethel Rayner, May Leibundguth, Sally Smith, Mildred Lehmann, Evelyn Heim, Elmyra Wenzel and Vera and Vera Frank.

The annual Thank-offering service of the Ladies Aid Society of First Evangelical Church was held at the church recently. Mrs. J. S. Stamm of Naperville, gave a very inspiring address to the women and a splendid offering for missions was brought by the ladies in their thank-offering boxes which were gradually filled during the year as special reasons for gratitude were experienced.

A double birthday party was held at the home of Mr. and Mrs. F. Holloway, Oakwood avenue, last Sunday evening in honor of William G. Holloway, 19 and his father, 46. Members of the St. Joseph Athletic Club and the Young People's Club of St. Joseph parish attended. Mr. Tombo, star pitcher of the Filipino All Stars and three other Filipino boys and Mr. Elmo J. Fischer, of Chicago, were also present. Mrs. E. Bradley, of Saratoga avenue, chaperoned the young people. There were forty-two guests in all and all enjoyed a fine time with refreshments and dancing later in the evening.

The Ladies Aid Society of First Evangelical Church has been unusually active during the past several months. They have given very material aid in the installation of a splendid new furnace under the auditorium of the church. Their meetings over the winter months will be held in the social rooms of the church. All members and friends are hereby reminded that the meetings are held the first and third Wednesday afternoons of each month at 1:30 and are cordially requested to be present as regularly as possible as the organization has much work to do. Mrs. Charles Haller is the efficient president.

APPROACHES TO MAPLE AVENUE GET ATTENTION

Burlington Plans to Raise Road on Each Side of Tracks and Eliminate Danger.

Work will soon start on eliminating some of the danger to vehicular traffic at the Maple avenue grade crossing. The Burlington is planning on raising the road on each side to a level with the tracks for a distance of about twenty-five feet. It now is an abrupt rise to the right of way.

Despite the fact that this is one of the worst grade crossings in the county, not many accidents have happened there. It has been made safer, both day and night, by the installation of the bell and red light automatic danger device.

Beat Elmhurst

Playing great football the local high eleven beat York Community high at Elmhurst yesterday afternoon by the score of 20 to 14. It was a hard fought, fast game, Downers players having the edge all through the contest.

The first quarter was scoreless with both teams battling for an advantage and feeling out the strength of the lines. Elmhurst's first touchdown came in the second quarter, the score being soon tied and then passed, as the "Purple" grid men warmed up, making two touchdowns in this quarter.

In the third quarter the locals scored another touchdown but failed to kick goal. Elmhurst's last score came in the last period the final score being 20-14.

This is another indication that the game Thanksgiving between Wheaton and Downers highs will be well worth watching. Come out and help root the plucky D. G. H. S. to victory.
