Wheaton High County Champs: Beat "Purple" 63 to 14 Turkey Day

ODD FELLOWS OF DISTRICT 12 MEET HERE NEXT WEEK

Local Lodge Plans Big Doings Next
Monday—Special Speakers
and Fine Music.

Many Odd Fellows are expected in the village next Monday evening when the local lodge will entertain the lodges of District No. 12 at the monthly district meeting. In this district are included all the subordinate lodges from Downers Grove to Cicero along the "Q".

Beside representatives from these lodges, plans are made for the entertainment of a number from Wheaton, Naperville, Glen Ellyn and other near by towns.

The regular meeting of the lodge is called for seven-thirty. Following this will be the meeting of the district after which a social hour is scheduled which will contain several features.

Paul Kuhn, who last year was State Instructor, and who is a son of County Clerk Kuhn, will be one of the speakers. He is well versed in Oddfellowship, is a fine speaker, a man who can keep his audience entertained for every minute and is well liked and known by the brethren of the local lodge. Another speaker of note will be Harold Kessinger, of Aurora, State Senator and known in this vicinity as a silver tongued orator. Mr. Kessinger will be the last speaker as he is already billed for a talk at Joliet on the same night.

The music for the occasion will be furnished by Miss Gwen Griffiths, premier local soloist and by the Jazz Band Quartette, who will furnish sweet music during the supper. This will be served following the meeting by the members of Bluebird Rebekah Lodge, associated with the Odd Fellows.

Plans are being made for the feeding and otherwise entertaining of at least 200 members and visitors. It will be a mile stone in the history of the local body and one to which they can point with pride.

GROVE CHAPTER TO CONFER ROYAL ARCH DEGREES TOMORROW

Two Teams Ready for Culmination
of Chapter—Supper is at
Six-Thirty.

Grove Chapter, No. 230, R. A. M., will hold a special meeting tomorrow, Saturday, November 26th, beginning at three o'clock.

Two teams will receive the "Royal Arch" degree, the culmination of the Chapter work. The first team will be piloted through the mazes of the work in the afternoon and the second in the evening. At six-thirty a recess will be taken and supper served in the dining room.

As this is the first Royal Arch to be conferred in the local lodge since last spring it is thought that a great number of Companions will avail themselves of the opportunity to be present.

Those who will take stations are:
Theodore Drenttel, Jr. E. H. P.
Leon Stimpson King
A. Sullivan Scribe
A. R. Whitehorn C. of H.
B. E. Balczynski R. A. C.
M. E. Coleman M 1st V.
I. E. Haebich M 2nd V.
Chas. Knoblauch M. 3d V.
D. Harry Jenkins P. S.
E. L. Dickerson Chaplain
E. H. Huntington Treasurer
Wm. Beidelman Sentinel
Walter Rogers Steward
Emery Brunson Pianist
Henry Legenhansen Secretary

The Downers Grove High School Football Squad, 1921 Runners-up in DuPage County Championship

LOCAL MEN ON SPECIAL PANEL FOR KLEIN CASE

Trial Starts This Morning in Cir-
cuit Court—Many Attorneys
Have Been Retained.

Picking a jury to try Jacob Klein for the murder of Leo Neumann, of Chicago, on Sunday evening, September 25th, starts this morning in the Circuit Court at Wheaton before Judge Chiles. Klein's attorney has succeeded in getting a change of venue.

A special panel of prospective jurors have been drawn for the case which promises to be a battle of legal talent. On the defense are Attorneys G. H. Bunge, of Downers Grove; Harvey Gansel, of Aurora; Chas. W. Hadley, of Wheaton; F. C. Harbourn, of Elmhurst. Assisting State Attorney Chauncey Reed, in the prosecution are Harry Slusser, of Chicago, formerly a resident of Downers Grove and Russell Keeney, of Naperville.

Local men drawn for the jury are James Chilvers, Allan Barnhart, Frank Lancaster, Ray Camer, Ira Heardt, V. Peterson, Ralph Rasse, Clarence Barnard and Tom Kelly.

AN ADVERTISING ARGUMENT

Here's one hard to beat. It is not original with us but is worth passing on. "Suppose a man loses his watch; the first thing that pops into his mind is 'advertise for it.' He does so and recovers his time-piece at a small cost. Out of the thousands of readers of the publication in which he advertises he is aiming at, talking to, ONE person and he reaches him." Now if it pays to advertise for a lost article with the hope that one particular person out of thousands will read the ad, how much more profitable to advertise for EVERY ONE OF THOSE THOUSANDS to enter your store and buy? No, advertising does not pay, Mr. Businessman, Marshal Field & Co. just take a great deal of delight in wasting that much money every day. Think it over, then Phone 188-J for an ad solicitor. The cost is not high. Investigate and you will be convinced.

HINSDALE ELEVEN COMES HERE FOR GAME NEXT SUNDAY

Legion Team in Last Grid Contest
of 1921 Season at Mem-
orial Park.

Hinsdale's heavyweight football team will play the Legion eleven in the last game of the season next Sunday afternoon, November 27th, at Memorial Park here.

Although the locals are sadly in need of practice, not having played the last few weeks on account of the bad weather, a good game is looked for. The two teams are supposed to be a little more evenly matched than they were last year when Downers ran all over them in the Thanksgiving game.

Hinsdale has some ex-college stars, they have been playing right along, and will come down with the expectation of winning.

It should prove to be one of the best of the games of the season and football fans are urged to turn out and support the locals.

GET YOUR TRIBUNE XMAS CHEER CHECKS AT REPORTER OFFICE

\$200,000 to be Distributed by Lead-
ing Chicago Morning Daily to
Lucky Number Holders.

Two hundred thousand dollars to be given away FREE. That's the announcement of the Chicago Tribune this morning. No strings to the offer in any way, simply if you hold the coupon which bears one of the many winning numbers you get a slice of this big melon which Chicago's leading morning daily is cutting to make Christmas cheer.

The Reporter will have a supply of these "Cheer Checks" to hand out as soon as they are ready. Get your coupons at The Reporter office and watch the Tribune for the drawings.

The leading prize is \$5,000 on Sunday and \$2,000 every day after the drawings start. From these sums the amounts range down to \$5.00.

You may be lucky, get your "Cheer Checks" at this office. Our supply will be ample to take care of all needs. We will have them as soon as they are ready for distribution.

BURR C. DOWNES HEADS MASONIC BUILDING ASSN.

Formal Completion of Organization
Effectuated Monday—By-Laws
Were Adopted.

Burr C. Downes was elected as President of the Downers Grove Masonic Temple Building Association at the formal organization meeting of that body held in the dining room of the Masonic Hall, Monday evening.

Other officers of the association selected were:
D. Harry Jenkins, Vice-President
Fred E. Downes, Secretary
Geo. O. Prickett, Treasurer
Leicester J. R. Jenkins, Chas. Mochel,
H. E. Tank, N. C. Deane, Charles Knoblauch.

It was an enthusiastic meeting, attended by many members of the local lodge and resident Masons. That the project of erecting a Masonic Temple in the village within the next five years is assured was carried away from the hall by most of those present.

The constitution and by-laws of the organization, which have been under discussion in many meetings, were passed without any material changes.

These by-laws provide that no building be done, land purchased or plans made until a majority of the shareholders concede in the action. The present plans of the officers and members of the association include merely the financing of the project. They are determined that enough money be paid into the treasury to see them through before any other action is taken.

Any Master Mason, member of the Eastern Star or any affiliating Masonic body, whether or not their membership is held at Downers Grove, are entitled to be members of the association and may take out shares. Already several resident Masons have subscribed and others will follow. They realize that a building of the kind contemplated is a necessity; that the growth of the Blue Lodge, the Chapter and the Eastern Star in the last few years, makes the present meeting place entirely inadequate.

Lighter, Less-Experienced Team Goes Down to Defeat Fighting Hard—Grange Stars for Visitors

Playing before one of the largest crowds that has ever attended a football game at Memorial Park, Wheaton High kept the County title by defeating the Downers Grove High team 63 to 14 in a fast and furiously fought grid battle.

Outweighed and with handicaps thrown at them promiscuously the little "Purple and White" warriors braved the brunt of battle yesterday and fought with a determination of hard and seasoned gridders against the strong, heavy, well-groomed and experienced team of Wheaton's High School. With the sting of defeat before them and only too apparent they did not flinch nor lose heart but battled bravely from whistle to whistle seizing opportunities whenever they chanced.

At the first blast of the whistle it was apparent that the Purple team was no match for the Wheaton aggregation and it was only a matter of time before the plucky little team would be forced to give way to the heavier men. No undue amount of credit can be given these little battlers who time and again broke thru the line and threw the massive and powerful Grange for losses and threw him hard and at other times met his powerful plunges and drives with a pluckiness that was uncanny. They truly upheld the Downers Grove spirit of fight and placed themselves in the highest esteem of the many alumni and town-people who were present.

Captain Harold Grange of Wheaton was easily the star of the game, ending his four years of high school competition with much added glory. Too much cannot be said of his ability at tearing around the wings, repping holes thru the line and in general doing all the things that make for a great player. Captain Grange crossed the Purple goal for six touchdowns and kicked nine goals after touchdowns. He is a rangy fellow, weighing 178 pounds. Running the hundred in ten seconds on the tracks accounts for his many runs around the flanks.

The first half was an even battle with the Purple gaining ground frequently and making almost as many first downs as the County Champs. The first quarter saw Wheaton held scoreless. Time and again the fast-footed Grange was thrown for losses and the other backfield men were repeatedly thrown for lost yardage. Coach Tommy Rogers had his men playing a defensive game and they held the heavy fellows with uncanny precision. As the game progressed the Purple began to lose strength and Wheaton tore thru the line for fre-

quent gains of ten to twenty yards.

The last half saw the Purple fighting hard but in no way able to cope with the fleet footed and hard hitting Grange. Billy Boone opened up with a forward passing game and this spelled a larger score for the champs as Grange, taller than his opponents, picked three of them out of the air and ran half the length of the field for touchdowns. When the final whistle blew the plucky little Purple warriors were still in the thicket of the piles and were amassing for themselves the glory that comes after a hard and well fought battle. They play a hard, fast and clean game and show the ear marks of having spent many hours drilling and establishing in their physics the things that make for better stronger man-hand.

The football season this year has been a success even though the defeat by Wheaton was overwhelming. To Coach Tommy Rogers goes much of the credit for grooming a bunch of inexperienced men to the efficient style of play that has been displayed in all games played this season.

The Game, Play by Play
First Quarter
Captain Grange of Wheaton kicked to Boone on the twenty yard line, who brought it back to the 32 yard line. Three drives off tackle by Baron and Stephenson netted seven yards and Stephenson punted to Frazer who carried it to their thirty yard line. Grange tore through right tackle for fifteen yards. Gustafson was thrown for a five yard loss around left end. Wheaton was penalized five yards for offside and on the next play Gustafson was again thrown for a loss by Russ Stephens. Grange punted to Boone who brought it back three yards. Three plunges failed to net the yards and Stephenson kicked to Frazer on Wheaton's twenty yard line. Grange made nine through left tackle. Wheaton was penalized five yards for offside. Dollinger added a yard through center and Grange added four more for first and ten. Grange ran for ten more around left end and added five thru right tackle. Frazer gained two through left guard. Gustafson was thrown for a loss and Wheaton was forced to punt. Boone brought it back ten yards. Rogers made two through right tackle and Baron added three more through the same place. Stephenson netted one through left guard. Gustafson ran the punt back twenty yards to the forty-three yard line. Grange and Dollinger made it first down on drives through left tackle. Stephens threw Grange for a three yard loss on a wide end run. A pass, Gustafson to Grange netted twenty three yards. A bad pass from center lost twenty yards for Wheaton. Stephens threw Grange for a five yard loss. A pass Gustafson to Grange was incomplete as the whistle blew. Score—W. H. S. 0; D. G. H. S., 0.

Second Quarter
Grange punted in back of the Purple goal. Play was started on the twenty yard line. Rogers attempted to puncture the line but was thrown for a three yard loss. Stephenson punted to Frazer on the Purple thirty five yard line. Three plunges by Grange made it first down. Another run by Grange netted seven more. Grange went around left end on a fake pass for a touchdown. He Kicked goal.

Score—Wheaton, 7; Downers, 0.
Boone brought the ball back six yards to the 16 yard line on the kick off. Rogers and Baron found the

house you want to get rid of.

A WANT AD MEDIUM

Very seldom does one hear a report of a classified ad not bringing results when run in The Reporter. For every one of these we have twenty-five or more people tell us of the wonderful things these little ads do for them. It seems strange that ninety-nine out of a hundred people read the classifieds, but it is a fact. That is the whole secret of their wonderful power in selling almost anything, and in finding what you want, when you want it. The best thing about the ads is their low cost. 35c cash, or 50c, charged, pays for insertion. The same ad can be run three times for 75c cash, or \$1.00, charged. You get the benefit by paying before the paper is issued. If you have not yet tried out the wonderful results of The Reporter as a classified ad medium, try it next week. There must be something around the
