

IN AND AROUND THE HIGH SCHOOL

Another banquet tonight. The Z. Z's are giving it. Another one next week, Mr. So and So is giving it. And more following that. The Seniors are going to give one. So are the Juniors, and the Sophies, and the Frosh, and the whole High School, and the Q. M. N. Club, and Mr. Oyes and—

Yes, all of this, and even more, might have been if our team had won the County Championship. They would have been worshipped in the whole village. But they did not win it, although they put up one of the finest fights that any team ever put up, and it remained for Mr. Stephens and Mr. Brevillier, representing the private individuals, and the Hi Y Club, representing clubs, classes and organizations, to give banquets in honor of the losing football team.

Here is the banquet given by Mr. Stephens and Mr. Brevillier as seen by one of the football fellows:

Thursday night, December 1, at 7:00 p. m., twenty-five young fellows, together with Mr. Brevillier, Mr. Stephens and Coach Rogers, met at the home of F. L. Stephens for the football banquet. Mr. Brevillier and Mr. Stephens, as hosts, greeted us in the same manner that they had greeted us all season.

"When all of the squad had arrived, slips were passed to the letter men, Phelps, Stephens, Rogers, Grumhaus, Dum, Jeanness, Sedgwick, Foster, Putnam, E. O'Neill, Klein, Boon, D. Stevenson, Smith and Baron. One letter man was absent. Kellogg was unable to attend because of his recent operation for appendicitis. When we passed to the table the letter men gave their votes for the captain of next years eleven to the coach.

"We all sat down after we had given a yell for Kellogg. The table was decorated in purple and white and the room was decorated to match. The dinner was served by Mrs. Stephens, Mrs. Swartz, Mrs. Foster, and Mrs. Brevillier. You could tell that the ladies had served for football

players before because we had a very years' football team; Mr. Shisler, good and bountiful dinner. After we had all eaten our fill, Mr. Brevillier, Mr. Rogers, our football coach; Bill Boon, acting as toastmaster, introduced Mr. Rogers. Mr. Rogers gave a general review of the season and the Seniors of the squad were then called on for short talks. After this, Mr. Brevillier called on Lyman Dum, Albert Smith, Eddie Baron, and Don Stephenson. Mr. Stephens then told of his interest in the team in the earnest, fatherly manner that he has. Horace Waples was called on because he was the youngest member of the squad.

"Mr. Rogers then announced Bill Boon as next years captain. He then presented a football with the signatures of all the squad on it to captain Phelps. The squad then went to the parlor for a short time and played parlor football.

"The members of the squad who will not be with us next year are: Kellogg, Phelps, Grumhaus, Rogers, Stephens, and E. O'Neill."

Karl Kellogg is back from the hospital and is doing nicely. We'll sure be glad to see Kelly back at school again.

Tuesday night, December 6, the Hi Y Club and their guests, the "D" football men, met at the M. E. Church for the First Annual Supper for "D" men given by the Hi Y. The supper was a chop suey one and the fellows enjoyed it very much. After the supper, speeches were given by the Rev. Phelps, a our local Hi Y leader; Mr. Vernon, our high school principal; Russ Stephens and Don Stephenson, as members of the All County team; Leroy Phelps, as a member of the All-County team and captain of this

Thanksgiving's Gone Don't you think it's time to consider the Coal Question? With Thanksgiving in the background and Christmas almost here, COAL should be in the minds of all who have to do with the heating of homes. Cold weather is sure to come—we have had a little touch of it already. When it does come—the wise man will have prepared for it by having his winter supply in the basement, and not in the coal yard. A TIP TO THOSE WHO USE HARD COAL! Although hard coal is high in price, compared to other years, yet those who use it would do well to put in their supply for the entire winter NOW! A strike has been called in the eastern fields and in a few months hard coal may be a scarce article. This reminds us that "PITSTON" Hard Coal is supreme. There is none better mined.

Think of YOUR Gas Company as a Big Family Enterprise

There's Progress and Profit for You in Co-operation

People speak of their public utilities (their gas, electric light, street railway and telephone companies) as "they," and of the men who work for them as "those men." Why not say "we," a friendly little word would serve to bring us all closer together.

And why shouldn't it be "we?" Because whether we are stockholders or not, we are part owners of these necessary public servants, through the investments of trust companies, banks and insurance companies.

Yet how few of us think of this! Not one citizen out of a hundred realizes that in one form or another his actual savings and insurance and his wife's and children's welfare depend upon the prosperity and continued operation of the public utilities.

No need for sentiment here. The question is one of direct self-interest; of dollars and cents, our savings! So that when we see to it that our public utilities are kept in a healthy condition, we are doing the most natural thing in the world—we are merely protecting our own money.
