

Mr. and Mrs. B. E. Balczynski, Mr. and Mrs. B. C. Downes, Mr. and Mrs. John Jenkins, Mr. and Mrs. E. H. Huntington, Jr., Mr. and Mrs. Henry Tank, Mr. and Mrs. A. Langosch, D. Harry Jenkins and M. E. Coleman attended a five hundred party and dance at LaGrange Wednesday evening given by the Commandery.

Arthur Nicholas, of Labart, Kansas, was given a surprise party on his birthday, November 19, when a fine pair of twins made their appearance in his home. The babies, Philip and Phyllis, and their mother, formerly Miss Dorothy Lathrop, of Clarendon Hills, are doing fine. The girl weighed five and three-quarter pounds and the boy six and three-quarter pounds at birth. Rejoicing in the event is the grandfather, John Nicholas, of the Nicholas Stock Farm, southeast of the Grove.

KLEIN FOUND GUILTY

(Continued from page 1)
mann home, east on the same road, where he left the women and then drove the unconscious man to the Hinsdale sanitarium where he died on the operating table.

After the shooting Klein walked to his home, notified Louis Callahan, then night policeman here, that he had shot a man. Callahan notified Chief Venard, who after calling Geo. F. Leineke, sheriff, went to the Klein home.

Leineke and State's Attorney Reed were on the scene shortly after the shooting and after hearing the stories of the witnesses, went before Police Magistrate L. C. Harner of Hinsdale, secured a warrant for Klein's arrest, charging him with murder and a preliminary hearing was held at three o'clock in the morning.

The evidence was presented to the Grand Jury for the October term of court and a true bill was found, holding Klein for murder. After several postponements, the Coroner's jury recommended he be held for manslaughter and this figured greatly in the trial.

Attorneys for the defense made an unsuccessful try to get Klein out on bail and this fact, it is believed, made for an early trial.

They secured a change of venue from Judge Cliffe to Judge Irwin and the task of picking the jury began the day after Thanksgiving. Over 300 gentlemen were called before a jury was found and the attorneys from both sides were satisfied with the men picked.

The outcome of the pleas for a new trial will be watched with keen interest.

SIXTY DOLLARS REALIZED FROM JAPANESE SALE

Fund Sufficient to Purchase Dishes for Serving School Lunches Realized, Saturday.

The Parent-Teacher Association were ably assisted in their effort to serve hot lunches in the schools by the sale and Japanese Tea given by the Neighborhood Club at the Junior Elementary School building last Saturday afternoon. The ladies had received quite a large consignment of Japanese goods which they sold at prices sufficiently low to make every customer pleased that he or she came aside from the knowledge that they were helping along a community cause. The Japanese goods were in the hands of Mrs. Ballard Waples, Mrs. Georgia McClure, Mrs. J. P. Mitchell, Mrs. George Wells, and Mrs. W. J. O'Neill. Tea was served by Mrs. W. F. James, Mrs. W. C. Barber, Mrs. Alice Heckman, Mrs. E. R. Dunnagan, Mrs. J. D. Gillespie and Mrs. W. H. Ray.

The sum of sixty dollars was realized which was sufficient to pay for dishes and cooking equipment to start the serving of hot lunches.

Two-day the first lunch was served to about seventy five children. The first menu was hot cocoa, Macaroni and sandwiches. The menu will be varied from day to day. The idea is of course to assist the children who bring lunches to have a hot dish or drink each day during the bad weather. The cost is very small as no effort is made to realize any profit—simply handle it so that it is self supporting and make the prices the lowest possible to that end.

ANOTHER MELON CUT BY LOCAL XMAS SAVERS

Farmers & Merchants and First National Banks Sending Christmas Spending Money.

Another big Christmas melon is being cut this week by the First National and the Farmers & Merchants banks. They are now busy making out and sending the checks on their "Christmas Savings Clubs" which have been running since the middle of last December.

Nearly \$20,000 is being cut up this year among the people who have saved it by a systematic putting in the bank of a few jitneys a week. This is \$4,000 more than a year ago and \$8,000 more than was checked out in 1919 when \$12,000 was thought to be a large amount. It is thought that at least \$25,000 will be the total next year.

Under this plan of saving are several different classes. One may start with a penny, for instance, and add a penny to the original one each week, thus 2, the second, 3, the third and so on until the fifty weeks are gone. Or a start may be made with 2 cents, 5, 10 or more. There is also the opposite to this plan whereby the largest amount is paid first and a drop of 1, 2, 5, or 10 cents made in each weeks payments. There is also another alternative. One may start with a stipulated amount as 10, 25 or 50 cents or \$1.00 or up and pay the same amount each week. At the end of the club, or when fifty weeks have gone by, interest on the "average" amount is added by the bank and the saver is rewarded with a check to help meet the demands of that Christmas gift. Although the original idea of these clubs was to have money for Christmas buying, Mr. Curtiss of the First National Bank says that about fifty per cent of the money is put right into regular savings accounts. Both banks are now starting clubs to be paid out next December and both expect the amounts to be much larger than this year. To the person who has not been saving, the idea is one which will appeal.
