ALL SET SCOUTS—WINTER CAMP AT DELAVAN READY

All May Register for Winter Sport Before Noon Christmas Day—Fish Bait Cut.

Last night Andrew Harvey and I bunked at the old camp. It seemed good to be up there again, even if there was 8 inches of snow on the ground. We pulled out tents and fixed them up, and took in three more stoves and some supplies. In the early evening we could hear the call of the owl over across the draw in front of the mess hall and the occasional bark of a fox. Over head a large flock of geese winged their way southward but we could recognize them by the honk of the leader. Far up in the open water near the spring brook, we heard the drake as he talk-

New 300 Candle Power Lamp THE DIAMOND LIGHT COSTS LESS THAN A NIGHT TO OPERATE. This wonderful new Lamp operates on less than half the fuel required for one ordinary wick lamp and gives almost 100 times more light. It is brighter and cheaper than electricity or gas—the most remarkable scientifically developed light of the age. It gives a soft, white light, ideal for sewing or reading. Easy on the eyes and beautifully brilliant for the home. Burns Kerosene or Gasoline—Absolutely Safe. The Lamp operates on kerosene or gasoline, giving the same brilliant 300 candle power light with either fuel. It is absolutely safe, as there is positively no danger even if upset. It can be carried anywhere, is easy and simple to operate, and needs practically no attention except occasional filling—no wicks to trim, no chimneys to clean. It is smokeless and odorless. Let me show you how bright and cheerful this 300 candle power brilliance will make YOUR home. A demonstration doesn't obligate you in any way.
