IN AND AROUND THE HIGH SCHOOL

The semi-annual election of officers of the Hi-Y Club was held Friday. The following officers were elected:

President, Robert Wolf
Vice-President, Arthur Rapp

All members are expected to be present at every meeting of the Hi-Y Club as business will be transacted that will be of great importance to the club.

Hi-Y meets every Tuesday night at 6 o'clock at the high school.

[illegible] basketball team will go to Aurora to play the high school team there this afternoon. Last Saturday the Aurora team came here and defeated the Downers Grove team by a score of 32 to 22. The Aurora team is a fast one and the Downers Grove team will have to play fast ball to win.

The Gazette staff has a display of Easter photos for the next edition. Let's all get ready to boost the paper.

Everybody is busily engaged in trying to crack through the ice on the top of the pool. We think that's a good joke, too.

Teacher in assembly: "Anybody in Ray Kerr's class is positively excused if nobody is absent." Immediately the entire class arose.

"Now we have a pile of boys in front and the rest of the boys will have room."

Of course they stood up on the platform in a perpendicular way and made something like a right angle.

Solid Geometry.
Solid.

The Sophomores had charge of the social hour which was held Friday afternoon. They have to be commended if they can be one point by the Junior and Senior classes.

Don't forget the game with Wheaton tonight.

Bill or Mac: Just drop your weekly joke contribution, for two.

A 1920 pie chip was found on the floor of the assembly recently. Wonder how that thing got by two of the sets of college county and Fred's annual swap sale.

Au Revoir.

MISS FEE.
