BOY SCOUT NOTES

At a recent conference with the Scout Executive, C. H. Barnes and the Scout Commissioner, H. C. Holzbach, President Davis announced the appointment of the committee that will be in charge of the summer camp at Lake Delavan.

The committee will hold a meeting in the near future and this will have the major items of the camp determined so that parents may consider when their Scout will be in camp.

Every Troop Active in Preparing For Anniversary Week

This month finds every Boy Scout very busy making his troops anniversary week the best ever. This year the Boy Scouts will be 12 years old February 8th.

The following Sunday afternoon a special service by and for the boys will be held. Dr. Ira W. Allen of La Grange will be the speaker and a special musical program is being arranged.

Messrs H. S. Paine, W. W. Heintz, T. J. Savage and F. N. Wildish attended the meeting of troop two on Wednesday evening.

8 to 15 and the members of the troop are to give a litter drill, signaling and knot tying, besides several games, at the public exhibition in the high school.

Scoutmaster Wildish, of troop 3, gave the boys several minutes of snappy drill.

Phil Weinheimer, Kermit Paek and James Pricer have applied for membership in the troop and will take the tenderfoot tests next Wednesday.

The first class scouts are requested to prepare for their merit badge tests to be given by the Court of Honor the first Tuesday in February.

The boys are preparing to give a basketball game for their parents and friends, between two teams of the troop, soon.

ticularly the benefits that were to be derived by the boys from the camp in Wisconsin. He urged that parents make every effort to have their sons in camp this coming summer.

District Commissioner Holzbach talked about building up the scouts of this town by making boys who are not now in the organization, scouts, and by the teachings they get from scouting prepare them for the fuller duties of citizenship.

Mrs. J. P. Mitchell discussed the benefits of the scout camp. She took as a personal view the value and constructive work that her son has received from his camping trips.

Following the program, Scoutmaster O'Neill, in his efficient way, took charge of a miniature scout meeting. During the business period of this meeting the contest which has been in progress in the troop for two months was brought to a close.

A broken belt, found on the floor after the meal, attested to the bountifulness and excellency of the dinner which was served by the Ladies Aid of the church.

"Her First Difficulty," "I'm awfully glad you came in, mother," said Mrs. Youngbride, who was trying to do some cooking.
