

### IN AND AROUND THE HIGH SCHOOL

#### SENIOR PARTY

Last Saturday, January 28, the Seniors had a spread and dance at the high school. After the spread there were several speeches with Le Roy Phelps in the capacity of toast-master.

Senior: "During exam week I always play 'put and take'."

Frosh: "How's that?"

Senior: "Why, I put in an exam paper and take out an F."

Mr. Vernon (after cleaning up the books last Wednesday): "Oh, I don't mind a day's work once in a while."

Senior: "Are those kid gloves?"  
Frosh: "I should say not! These are men's gloves."

Are you ready to back the "Cauldron?"

### ANNOUNCING THE 1922 "CAULDRON" OF THE D. G. H. S.

Third Volume of High School Year Book Will be Published by Class of '22.

Did you hear about it? No? Then stop a minute and we'll tell you.

Of course you know that it has been published two successive years and that on account of its great success will be published again this year by the class of '22. This will be volume three. By the way, if you do not own either the first or second volume or both, and would like a copy there are still a few left and they may be had by notifying either Art Mills of Midland avenue, or Richard Dress of Lincoln avenue.

Now to get back to business, we wish to say that both the first and second volumes were very good, but the third will be better than either. This is only natural since we are learning a little more each year about this kind of a publication and how best to manage it.

One of the greatest improvements this year will be in the cover. Heretofore only a heavy paper cover has been put onto the book. This year we expect to have a new kind of cover stock known as Castilian brand. It is very good looking to say the least, resembling leather.

Another new feature will be the binding which will be the punched-and-tied kind, stronger and better looking than that of the preceding ones. A purple and white cover will be used.

Every member of the staff is doing his utmost to make his department of the book a success, and they are all working together to make it the "best ever."

BUT WAIT! They cannot do the whole thing alone. They're giving their time and energy. What they want you to do is to support them financially by purchasing one of the books. This is a small matter when you consider the time spent in composing the book; nevertheless, it is very essential and we will appreciate the interest each one takes in the book by his subscription.

We have tried to arrange it so that everyone can buy a copy. You will be called on within the next two weeks by a student of the high school and all you are required to do is to sign a subscription blank and pay a quarter down. Thereafter you will pay a quarter each month for three months, in the end making a total of one dollar. On payment of your final quarter, you will receive your copy of the 1922 Cauldron. This will be shortly after the middle of May.

You will be notified through The Reporter one week previous to each payment and the student who takes your subscription will call for the payment, thus not inconveniencing you.

Thank you for your time and attention and also for the support that we know you will give us. We hope our plan is clear to you.

Our records of your payments, for each of which you will hold a receipt, will be carefully kept. We promise that the 1922 Cauldron will be good from "kiver to kiver."

### STATE SUPT. BLAIR TO DEDICATE NEW DU PAGE SCHOOLS

Four Rural Schools to be Opened on Monday and Tuesday, February 13 and 14.

February 13 and 14 are to be red letter days on the rural school calendar of DuPage County. During the past year, four of the finest rural schools in Illinois have been erected in the county. At a recent meeting the members of the board of supervisors showed their interest in these progressive districts by authorizing County Superintendent of Schools Lewis V. Morgan, to arrange to have State Superintendent F. G. Blair dedicate these buildings. The dedicatory exercises will be held on Monday and Tuesday, February 13 and 14. On Monday, February 13, Supt. Blair will dedicate the Ingalton school of District No. 26 in the town of Wayne at 5:00 p. m. and the Granger school of consolidated District No. 90 in the town of Naperville at 8:00 p. m.

Tuesday's program includes the dedication of the Butler school in District No. 53 of the town of York at 2:00 p. m. and of the Wooddale school in District No. 7 of the town of Addison at 8:00 p. m.

These schools represent the latest and best in rural school construction. All have high, roomy basements providing ideal play rooms for the children during unfavorable weather as well as convenient centers for the social activities of their patrons. All have two large class rooms and are equipped with basement furnaces or hot water heating plants and with indoor toilets. In addition two of the schools have their own pressure systems for running water. With the exception of the Granger school in District No. 90, which is a consolidation of four rural districts, all of the schools were built by single unit rural districts. As might be expected, all of these schools are in charge of capable and experienced teachers who are enthusiastic in their work.

Mention should be made of the fact that the Butler school in the town of York is without exception the finest rural school in Illinois, and that the others are of such high standing they will soon be placed on the list of superior schools, of which there are now less than forty in the whole State of Illinois.

These new buildings are the first to be erected since the war and another fine new building is now in progress of construction in District No. 80 of the town of Naperville. Six rural more will be built in the county during the course of the year.

Prior to the war there was considerable building activity in rural and village districts, the following not building having been erected: Wayne and Morgan Memorial in the town of Wayne; Cloverdale and Harbington (Dist. 20) in the town of Bloomingdale; Bensenville graded in the town of Addison; McAuley, Big Woods and Warrenville in the town of Winfield; Pleasant Hill, Christie and Bonaparte in the town of Milton; Salt Creek in the town of York; Cass-Center and Byrnesville in the town of Downers Grove; and Lisle and Belmont in the town of Lisle. Of the rural schools included in the above list Big Woods and Bonaparte have qualified as superior schools.

#### W. C. T. U. NOTES

What every loyal citizen should know.

Two things threaten prohibition enforcement. One is lack of information on the part of citizens loyal to the eighteenth amendment to the Constitution.

Did you know that the wets are working for the repeal of enforcement laws?

Did you know that the enemies of prohibition are working for beer and wine legislation which would lead to a return of saloons and the entire outlawed liquor traffic?

Did you know that the association against the prohibition amendment is actively at work in Illinois?

Did you know that the candidates for the legislature and Congress to be voted on at the next regular election will be nominated at the primaries April 11?

Did you know the primaries is the real election?

Did you know that the wets who

always vote will win on April 11 if the dregs stay at home?

Inaction by citizens loyal to the Constitution is the second great danger threatening prohibition enforcement.

To win on April 11 it will be necessary to get the information to the voters and the voters to the folks. Resolve to do your part. Help arouse the voters in your community to defend the eighteenth amendment April eleventh.

Everyone who will can, between now and then, win many who might otherwise lack information or fail to act on that day, and vote for the candidates endorsed by the Anti-Saloon League.

Corresponding Secretary.

### JOHN COLDWATER, DEM., IS LEGISLATIVE CANDIDATE

John Coldwater, Mayor of Elwood, farmer and formerly highway commissioner of the township of Jackson, Will County, has announced that he will be a candidate for the legislature at the primaries April 11.

Mr. Coldwater will run on the Democratic ticket and will oppose Michael Henneby who has held down that job at Springfield since the memory of man, or even before that.

Coldwater's most cordial support comes from the farmers of Wilmington, Manhattan, Wilton, Florence and Jackson townships, east and south of Joliet.

### DOUBLE HEADER AT LOCAL GYM SATURDAY NIGHT

Legion Plays National A. A. Clyde, and St. Joseph A. C. Meets LaGrange Boosters.

A double header basketball game will be played tomorrow night, Saturday, February 4, in the local gym, starting at eight o'clock.

In the first game the Legion five will meet the National A. A. from Clyde in what promises to be a good battle. The second game will be played between the St. Joseph A. C. five and the LaGrange Boosters. This will be in the nature of a return game as the St. Joe basketballers beat the Boosters on their own floor January 18. The LaGrange lads have sworn vengeance and will come with blood in their eyes.

Tuesday night the St. Joseph's team beat a heavyweight aggregation from Lombard by a 25 to 17 score. Lombard started strong and the game was close until the last ten minutes of play when the local lads poured in seven baskets to Lombard's one.
