Mrs. N. P. Brettner, of Benton ave. who has been critically ill since Saturday at the Norwegian-American hospital, Chicago, is now on the road to recovery.

Mr. and Mrs. E. S. Mann, of Waukegan, Washington, visited here last week with Mr. Mann's sister and brother, Mrs. Ballard Waples, of Prince avenue and E. S. Mann. They were on their way to New York City where they will join a party for a tour of Europe, through Palestine and Jerusalem then to Cairo and a journey down the Nile through Egypt. They expect to be gone several months. Sunday night the families gathered at the E. S. Mann home on South Washington street for a family reunion.

The case against Harry Ames, for the alleged theft of a Ford sedan, was dismissed in the Cook County court Wednesday. The State's Attorney on the case moved for the dismissal because there was absolutely no evidence on which Ames could be longer held to the charge. This is the culmination of the case which started last summer when Ames and San Bertolin were the innocent purchasers of stolen sedans. The case against both of them have been dismissed much to the delight of their many friends in the community.

SUBURBAN MUSICIANS ENTERTAIN WOUNDED VETS

LaGrange American Legion Asks "What are YOU Doing for These Fellows."

Another answer to the question of "What can we do for the sick and wounded veterans of the world war" was given on Thursday, January 19, 1922, when several of the LaGrange ladies gave a most enthusiastic audience of these men a most pleasant afternoon's entertainment, at the Edward Hines, Jr. hospital.

The program was varied and particularly arranged for the boys. The hostess for the afternoon was Mrs. Freeland P. Townsley, of Berwyn, who is chairman of the Relief Committee of the hospital. Mrs. Townsley served in France as a nurse and ambulance driver at the front, understands the condition of the boys and what will please them.

Miss Hortense E. Goss of LaGrange dramatic reader, gave several readings in her usual excellent manner, and was ably assisted by Mrs. Edith Lundgren, of LaGrange, soprano, Mrs. Dora Soderberg, of LaGrange, pianist, Mrs. John Bull of Cicero, soprano, and Miss Reese, of Cicero, pianist.

Miss Mary Deschauer, of Berwyn, read Riley's "My Rival."

Light refreshments were served with the assistance of six young ladies from Berwyn.

An inspection of the various wards in the hospital showed how very much the Victrolas donated by the LaGrange people were enjoyed. What are YOU doing for these boys? Did our responsibility cease with the Armistice on November 11, 1918? The LaGrange Post, No. 41, of the American Legion would be glad to arrange for further entertainments if you can give us your talents.

CHILD SINGERS REPORT AT 1:30 TOMORROW P. M.

Time of Children's Music Hour Has Been Changed—Mrs. Cecile Stevenson Directs.

All children between the ages of 8 and 14 who desire to join in the Community Children's Singing Hour under the direction of Mrs. Cecile Stevenson are requested to meet at the church on Saturday afternoon of this week at 1:30 o'clock.

The time has been changed to 1:30 to make it possible for the children to first come to the singing hour and then go to the school gymnasium for their gym classes.

No charge whatever is to be made for this course of instruction and practice. Boys and girls are alike welcome provided they will attend regularly until the public program is given next May. Mrs. Stevenson's aim is to arouse interest in things musical and lay the foundation for appreciation of good music through ear training, hearing and practice singing under her direction.

FORD RETAIL SALES GO OVER MILLION

Show Increase of 105,000 Cars and Trucks Over Sales of the Previous Year.

Retail sales of Ford cars, trucks and Fordson tractors have again exceeded the million mark for the year 1921, according to a statement given out today by the Ford Motor Company.

The Ford factory and assembly plant production figures reached a total of 1,950,740 cars, trucks and tractors for the year, with retail sales by dealers approximating 7,093,000, which in the United States alone surpassed the 1920 retail sales record by 104,213 Ford cars and trucks.

The Ford Company says the outlook for 1922 is decidedly optimistic. In fact, concrete evidences already exist in that car and truck retail sales for December 1921, exceeded December 1920 sales by almost 25 percent, and Fordson tractor retail sales for the same periods show an increase of over 100 per cent for December 1921, as well as an increase over the total tractor sales for the month of November.

These facts seem to indicate that not only are the farmers buying more freely, but that the general public is becoming more responsive and receptive.

Another point brought out by a comparison of production figures for the past two years shows that Ford enclosed cars are gaining in popularity, as 23 per cent of the 1921 production were Sedans and Coupes as against a total of 18 per cent for the year previous.

Recent reductions in Ford car and truck prices brought them to a new low level. The Touring car now sells for \$348, the Runabout for \$319, the Coupe for \$580, the Sedan for \$645, the chassis for \$285, and the truck for \$430, all f. o. b. Detroit.

This is the fourth price cut in the past sixteen months. During that time the price of the touring car alone has been cut from \$575 to \$348, a reduction of 40 per cent. Reductions on some of the other types have been even greater.

The Ford Company believes that this reduction, while not a large one, is especially important at this time as it should go a long way toward stabilizing market conditions.

Ford is giving employment at present to approximately 40,000 men in his main plant at Detroit, the importance of which is emphasized when

consideration is given to the fact that nearly 20 per cent of the city's population is directly dependent upon the Ford Motor Company.
