

"BIRTHDAY" PARTY AT CASS CHURCH FRI. FEBRUARY 17

A premium will be put on age next Friday night, February 17, when the Ladies Aid will hold a "birthday" party at the Cass Church. A unique plan of admission charge has been arranged whereby everyone pays one cent for each birthday they have passed. The supposition is that the older one is the more one will enjoy the party and consequently the charge is higher.

Plans for the party have been under discussion for some time. The young people will give a play, "All on Account of an Actor" which promises to make the hit of the evening as they have been rehearsing for several weeks and all are letter perfect in their parts. Ice cream and cake will be served.

WOMEN BOWLERS MEET THIS AFTER-NOON TO ORGANIZE

Those Interested in Ten Pin Game Invited to Attend Meeting at Dicke Alleys.

Women bowlers of the community meet at 2:30 this afternoon at the Dicke alleys for the purpose of re-organizing their bowling league for the finish of the season. If there are any ladies who did not get in on the first league and who wish to bowl, they should be present or leave their name to be entered.

The women have taken a great interest in bowling. They find that the game isn't too strenuous and the excitement of the matches seems to catch them. Competition is keen and the women are as ardent fans as the men.

A Dead Weight

One of the most useless things in the world is a stalled automobile engine.

Not only will it not pull its load, but it also adds to the load of the machine which tows the car.

A man disabled by accident is in the same class.

He cannot earn a living for his family; he is also a burdensome expense to them.

That is, unless he has one of our good Travelers Accident policies to continue his income for him while he is kept from work.

BOWLING NEWS

Hoehn's Clippers, registered a neat series last Monday when he shot 191, 217 and 218 for an average of 209.23, high for the week.

"Babe" Banning hit the wood for 236 last Tuesday in his opening game high score for the week, came back with 206 and then dropped to 169 in the third game. His average, 203.23, was second high.

In the Downers Grove League the Cubs are now leading; Hoehn's Clippers are second and the East Ends and Klein's Richelieus battling a tie for third. This is one of the most exciting races ever seen here. The first six teams are hunched and either may win.

Baker's Buns have an apparent advantage in the Business Men's League, being temporarily on top, but with the Reporters and Mochel's Butchers going like prairie fires its hard to tell who will hold that coveted top place at the end of the season.

PURPLE BEATS GLEN IN EXTRA TIME CONTEST

County Basketball Tournament Has Been Changed to York Twp. High at Elmhurst.

Downers Grove High won for the second time from Glen Elly last Friday night in a hard fought game. It opened briskly and continued to be fast throughout.

Showing marvelous team-work and good guarding our team threatened to swamp Glen Elly at every moment. Our lack of a sure-fire basket shooter handicapped us, however, and made the game very close. Our passing was good but team-work stood out above all. Baron, playing a fine game, made most of the points. Bud Smith played his usual spirited game and showed a fine fighting loyalty. Klein and Grumhaus played a fine guard game and the latter made the winning basket. Phelps played a good game at two different positions and Stephens played a fast game at center.

The game ended with a 13-13 score and so upon mutual consent an extra five minute period was played. It was during this period that Grumhaus made the winning basket. Our team has a style of play different from any other team in the county. This style of play is a great deal more systematic than any other and our fine team-work aids it greatly.

The County Tournament will be held at Elmhurst because of a case of scarlet fever in the Naperville high school. The first game will be this afternoon.

Word has been received from Elizabeth Chilvers, who is visiting with her grandfather and grandmother, Mr. and Mrs. Shad Chilvers, who are spending the winter at Phoenix, Arizona, that she is having the time of her life. She says it is wonderful to see the oranges growing; to see the snowcapped mountains and the strange, wild scenery of that section of the country.

Helena Zarn celebrated her thirteenth birthday last Sunday afternoon by having twenty-four of her little friends and school mates at her home for a birthday party. Games were played and the afternoon's fun culminated when Mrs. Zarn called them to a well filled table for lunch.

Alvin Peterson has been laid up with a very severe cold.
