## ELLEN CECILIA FOSTER

Ellen Cecilia Foster, daughter o Alexander and Nancy Foster, was born March 3, 1844, at Plainfield, Ill., and died at her home in Adel, Iowa. January 31, 1922, at the age of 77 years, 10 months and 27 days.

Illinois, where most of her early life ately covered with some good antisets was spent. On November 9, 1865, she was united in marriage with Edward Vial with whom she shared the joys and sorrows of life for fifty-seven

To this union one child was born, Mrs. Nelson Eastman, of Adel, In. In 1881 she moved with her husband and child to Waterloo, lowa, where they resided until coming to Adel in 1800 where the latter years of her

daughters, Mrs. M. R. Calley, of Guthere Center, lown, and Donald Eastman, of Ames, lowa, one great grandchild, Norma Jean Calley ,three brothers, J. R. Foster, of Downers Grove, Ill., A. A. Føster, of Aurora. III., and H. D. Foster, of Chicago, III., The Rev. J. H. Dennis, rector of and one sister, Mrs. Emma Miller, of Downers Grove, Ill. In early years of her life she affiliated with the Congregational church of which she was a member until she moved to Waterloo, at which time there being no Congregational church there she became a member of the United Brethren church. For like reasons she united with the Methodist Episcopal charch upon coming to Adel of which she was a faithful member until called by death. For many years she was an active member of the Woman's Relief Corps at Adel of which she served as treasurer until the organization was disbanded. She was a true and faithful wife and in her daily life and acts exemplified what is meant by that wonderful term. Mother, -Dallas County (Iowa) News

## Mysteries of the Infinite.

What do the stars above as mean? What's around them? What is their purpose in creation? Our "star," which we call the sun, we found; believe is for the purpose of giving our little grain we call the earth, warmth and light, so that we may live and move Theme: "A Song of Praise at the and have our being. As we strut about and enjoy our petty achieve. Search the Scriptures, for in them ments we do not often contemplate the starry vanit at me us. Perhaps it is out the knowledge of the heavens how we shrink! How we shrink!-Chicago Journal of Commerce.

> An Argument for Order. The importance of being orderly is shown in the trouble that generally results from misplaced confidence,-Boston Transcrip.

# TO LARGE TREES

First Thing to Be Done Is to Remove Broken Branches That Are Menace to Life.

## WORKING SUGGESTIONS

If Limbs Have Been Split, Wood Around Wound Should Be Cut or Sawed Away and Scar Smothered-Leave Cavities Open.

The extensive injury and destruction of trees of all kinds in New Engmade by the department.

#### Remove Broken Branches.

is to remove large broken branches Wachter will be remembered by many 3:45 p. m. Religious Instruction The Rev. Arnold H. Kehrl, Minister that are now, or may become, a men- of the old timers of the vicinity. ace to life and property; this is usual-9:45 a. m. Bible School and Men's by best done by cutting at the point? where broken. Attention should then tered wood about the wound should be level and an old fashioned winter. 7:30 p. m. Service of song and removed with a sharp gouge and mallet, if not so situated that it can be sawed off.

Attention should next be given to repairing the injuries on the larger Topic: "The Last Prayer Meeting." branches in a similar manner, and later to the smaller branches. Sometimes when a limb is broken away, the tree is so weakened at the point of breakage that it may again break in a Members are ready and willing to severe wind, and to obviate this the top must be pruned back more or less severely. In case of split crotches, the , advice in Farmers' Bulletin 1178 should be followed regarding the general treatment, italialing bolting through and above the crack.

It is fortubate that the invitoria come when it did, rather than in March or April, for decay producing germs grow but sleady during cold weather, consequently there is a longer period in which repair work can be done before warm weather arrives. In cases of estates where a great amount of injury bus occurred, and only a comparatively small force is available for repairing the outnage, the final cutting of long stubs can be conveniently left until early spring, but wounds or brenks on the main trunk or close to it, should be attended to promptly, in any onse before warm weather arrives.

## Leave Cavities Open.

When but a small child she moved is better in most cases to leave them with her parents to Downers Grove, open. All final cuts should be immedi-
