

NEWSY NOTES FROM LISLE AND BELMONT

Mrs E Castle, who has been very ill, is improving.

Mrs F Caurizel, and son, of Early, Iowa, are visiting the home folks, Mr Al Riedy and family.

Mr E Yagel has been quite ill this week and is under the care of Dr. Migley, of Naperville.

Mr and Mrs Chas E Plumb and daughter, Dorothy, of Downers, spent Sunday with Mr and Mrs W Plumb.

Attorney N. B. Willard, of Chicago, a former resident, visited friends in Lisle Sunday.

Mrs J Griffiths will entertain the Ladies Aid Society Thursday, February 9. Members and friends are invited.

Mr and Mrs Geo Sorensen, who have been living on the R Lacey farm north of Lisle, are moving to Elmhurst.

Mr M Schwerer has not been able to do his usual work this week at the Creamery on account of an injury to one of his feet caused by the falling of a milk can.

The local camp, Modern Woodmen of America, will hold their regular business meeting Tuesday, March 7 at 8 p. m. at the Riedy Hall. Every member is urged to attend.

SOUTH-OF-LISLENOTES

Mrs. Jack Griffith entertained Monday evening.

Martha Borzloff has a mild case of scarlet fever.

Miss Julia Klinger, of Plainfield, visited her parents, Mr and Mrs John Klinger on Sunday.

Mrs Robert MacDougall of Downers and baby have been visiting her cousin, Mrs. Harry Foster.

Mrs H King, of Chicago, sister of Mrs. Paul Utley, has been visiting at Belmont Farm for several days.

The Goodrich School opened Monday after being closed ten days owing to scarlet fever.

Mr Eckberg, of Chicago, and Mr. Her Hemmer, of Oak Park, were guests of the Pilling family at Lone Maple Farm Monday evening.

Mr and Mrs Collins Goodrich and Mr and Mrs Harry Foster attended a Poland China hog sale at Batavia on Monday.

Pruning trees at the Harold Vial home on Monday. There was a small attendance owing to it not being well known.

Gerald Schmitt has just purchased some beautiful canaries. He is starting in the business on a small scale. We wish him great success.

Mrs Josephine Hagonan, of Wheaton, has been spending the week end with her daughter, Mrs. Collins Goodrich.

Mr and Mrs Harry Abrams and children spent Saturday and Sunday with the Emil Fry family at La Grange. On Saturday they celebrated Mrs. Fry's birthday and all had a most delightful time.

We notice by the Naperville Clarion that Carleton Nadelhoffer will be connected in business with the Naperville Creamery. This is no doubt a surprise to his many friends; but we are sure he will make a success of it.

We almost had a round-up in this vicinity. F. Richey shipped steers on Thursday. Two got away and being at night they were unable to find them. Several men scouted around and on Saturday they were located. They jumped fences and lead the men a merry chase. It took ten men to hold one and load it on a truck. Seems as though it ought to have a wild flavor when eaten.

NORTH SIDE SCHOOL NOTES

The pictures which the patrons of our school made possible by their attendance at the Art Exhibit have arrived. The matter of suitable framing will be attended to very soon and the pictures hung in the several rooms.

Our furnace repairs installed last week have put the heating plant in a permanently effective shape. Heat is secured much more quickly and the heater needs less attention.

Mrs. Case, teacher of third grade, has been absent for a number of days on account of a severe cold. Miss Ruth Hughes is substituting in her place.

Howard Balezynski has been enrolled in the 4th grade. He is a fine little worker and is a welcomed member of our group.

A politeness campaign has been inaugurated by the pupils of grades 4, 5 and 6. When one pupil sees another do a kind, courteous or thoughtful act on the school ground or on the street he makes a note of it, writes out the circumstance, and places it in a receptacle in the school room in which the pupil is seated. At the end of the week these items are read to the pupils. The pupil receiving the greatest number of favorable notices is to have his or her name in the paper.

Why Worry?

It's said that worry kills more people than work.

Someone facetiously remarked that this must be because there are more worriers than workers.

But you can't blame a man for worrying if he's in bed with an injury; his pay envelope has stopped, perhaps, and he just can't see how he's going to make ends meet.

But there's no reason why you should worry when you can buy a Travelers Accident Policy at such a reasonable price.

FARMERS COMPANY FIRST IN BUSINESS AT EAST ST. LOUIS

County Farm Bureaus and Illinois Agricultural Assn. Takes An Active Part.

The Producers Live Stock Commission Association, first of the far-

mer-owned cooperative live stock commission firms to be established under the Committee of Fifteen national live stock marketing plan, now stands first in amount of business among fifty firms at the East St. Louis stock yards, it is announced by the DuPage County Farm Bureau.

The association has been going only since January 2. It has been among the first ten at the yards every week but one since its start.

The National Live Stock Producers Association, the national organization of which it is a part, is planning to inaugurate like commission associations at the Chicago and Buffalo yards by April 1.

County Farm Bureaus of the state and the Illinois Agricultural Association have taken an active part in the organization and support of the East St. Louis cooperative association.
