

COMMUNITY WEEK-END SALE

Right now is the chance of a lifetime to step into any of the stores advertising on this page, and secure good dependable merchandise for a fraction of its worth. A backward season has left nearly every dealer overstocked and with spring just around the corner, room is needed to take care of the new stocks. What we lose in profits will be more than be made up in the friendship we shall gain of those who buy at these special prices. Come in and see what these sales mean.

SPRING STYLES!

Suits, also three piece Sport Suits, Coats and Dresses, of all kinds. Call and see—before buying elsewhere. All changes made without charge. This month 10 per cent discount will be allowed on all Barclay Corsets and "Formfit" Girdleiers and Brassieres. Barclay corsets please everybody, particularly stout ladies—no roll of fat is seen above them and comfort is assured.

GRACEFUL STOUT CORSETS

are scientifically designed for the stout figure. There is a corset for every figure type — a corset that will enable you to look from ten to fifteen pounds lighter in weight from the moment you put it on. Then too, by their gentle reducing tendencies they actually reduce the figure in a very short time. Either front or back lace. Let us show you.
