

**BOWLING NOTES**

Local bowlers razed a Berwyn five last Friday night beating them 128 pins for the three games. Scores were rather low but the bowling was consistent when it is considered that no one but Babe Bunning hit better than 200 and all the team games were well over the 800 mark.

Downers did their best in the middle game when they hit the wood for 904. Berwyns best game was the last with a count of 876. They lost the three straight games beside being on the small end for total pins.

Bunning had a nice series for the locals with counts of 192, 224, and 203 for an average of 206 1-3. Stewart was high for the visitors with 184, 179 and 191, and average of 184 and 2-3.

Mrs. Balczynski's five is still leading the womens league having won two out of three on Tuesday afternoon. These women seem to be getting better all the time. The race is not as close as the first series the women rolled but the interest and excitement is just as great.
