HARD ROADS

Almost every gravel road in the county has been cut to pieces in the last two or three weeks by the heavy truck traffic. The road from Hinsdale to Naperville is badly torn up in several places where heavy trucks have dug themselves in, the gravel being thrown in large heaps, leaving holes and ruts. The Naperville-Wheaton road is in a similar condition and even pleasure cars were stuck Sunday night going between the two towns.

It is a condition which will never be bettered until hard roads are a reality instead of a dream. With the putting thru this summer of the Fullersburg-Aurora concrete will come an advantage not apparent on the surface. This will divert most of the heavy truck traffic from the south road and this can then be given a coating of the tarvia road tried out last year and found successful. Downers Grove Township is ahead of other towns in the county by the voting of a special hard roads tax. Part of this money will be used to hard surface Maple avenue across the township. Lisle and Naperville Townships should not lag in this matter but should carry the road thru their towns, thus making a link between the three towns, other than the Plank road.

COMMUNITY GO-TO-CHURCH CAMPAIGN

Growing Rich Spiritually
And Jesus said unto his disciples, Verily I say unto you, It is hard for a rich man to enter into the kingdom of heaven. And again I say unto you, It is easier for a camel to go through a needle's eye, than for a rich man to enter into the kingdom of God.

And when the disciples heard it, they were astonished exceedingly, saying, Who then can be saved? And Jesus looking upon them said to them, With men this is impossible, but with God all things are possible.

Then answered Peter and said unto Him, Lo, we have left all, and followed thee, what then shall we have? And Jesus said unto them, Verily I say unto you, that ye who have followed me, in the regeneration when the Son of man shall sit on the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of Israel.

And every one that hath left houses, or brethren, or sisters, or father, or mother, or children, or lands, for my name's sake, shall receive a hundred fold and shall inherit eternal life. But many shall be last that are first, and the first that are last.

At the College Reunion
"How do you account for Manley going as a missionary?" I had picked him out for a greater career in law or medicine or politics. He was the most intellectual and brilliant man in our class. Now it has been years since I have heard from him. Poor fellow! A great career lost! Wasted talents on some low down heathen. The speaker was the wealthy head of a great corporation and had spent all his time since graduation in making money.

His companion was a distinguished journalist, who, taking from his pocket a letter, replied, "I have a letter here from Manley. He wants to be remembered to the class, and he encloses a little circular telling about his work. It includes the biggest hospital for surgical cases in all China; a preaching circle of fourteen stations and outstations; a publishing house that ranks first in the East; a Boy's Training School that requires an outlay of \$25,000 a year, with an attendance of five hundred students; he has twenty-seven assistant workers in various departments. He is a close adviser to the governor of the province and a great power in diplomatic circles. Of course his circular does not say that, but I heard it from some missionaries connected with my own Church."

The wealthy head of the money making corporation did the manly thing. "I apologize to Manley," he said. "I did not know what a great career a modern missionary has. By the side of it I am willing to say my own is small. I envy him his great career."—Christian Observer.

FINE PROGRAM ARRANGED FOR CONCERT MAR. 31

Two local artists, the Misses Gwen Griffiths and Adelaide Walter have arranged a fine program for an evening of music at the Methodist church Friday, March 31. Both are artists of unusual talent, the first a soprano and the latter a pianist, and music lovers of the community are looking forward with pleasure to the night.

The gifted young ladies are doing this for the benefit of the Masonic Temple building fund under the auspices of Vesta Chapter, Order of the Eastern Star.

"FOLLIES" MAKES BIG HIT

(Continued from page 1)

cigars, candy and everything else after the "Sheik," it was natural that one of the acts should be based on this popular book, movie, song and what not.

The Sheik, Tommy Rogers; the Shriek, Lester Barry, ably assisted by their female "side-kicks," the Shiekess, Grace McKee and the Shriekess, Jack Fisher, were amusing.

Miss McKee danced a wild, harem-like whirl which showed off to good advantage her terpsicorean art. It was graceful, rhythical, and above all, free from the extravagant postures and poses of the real professional dancer.

Jack Fisher, in his burlesque of the dance, was a scream, as was the bit between the rival Sheik and Shriek over the allotment of territory.

Cairo, the mangy lion, ably assisted his master — when the tight questions were asked, while the "Harem-ers," Virginia Tank, Elizabeth Tank, Lucile Bush, Gwen Griffiths, Dorothy

Bordwell, Martha Shaffer, Dorothy Phelps and Pauline Reiner, were very graceful in the chorus part of the act.

Northern Lights, the Indian Club swinging stunt of Elvin Sucher, was a novel touch and was much appreciated. The second part, especially, with the electric bulbs in the clubs casting weird lights over the stage, was an excellent effect.

The loss said about Arthur Cubist, Burr Downes and his Cubist Art, the better. He has already had a few come-backs and there may be more. But Burr will hand a real artist little and big casino and beat him at his own game of razzing somebody every chance he gets and doing it in such a way that it leaves no bad taste as an after-effect.

"Things" and "Beauties" which was the final number of the show, gave the members of the cast a chance to show how they could "harmonize." The concluding song, "The Sheik," sent the pleased audience out with its several lips puckered whistling the haunting strains and that, according to the musical comedy critics, show it was a sure-fire hit.

During the intermissions the Orchestra played swinging and dreamy tunes which kept up the interest of the audience. They were Lucile Bush, Mary Curtis, Roy Bruno, Pianists; Edgar Garrison and Paul Vaughan.

The directing was done by Helen M. Newton and J. C. "Tommy" Rogers, both members of the high school faculty, themselves talented and able to bring out the talent of others. Their work really was responsible for the artistic success of the "Follies."

Great credit for the success of the "Follies" must be given the organization who worked hard to make it. They were Dan Diener, Business Manager; Walter J. Staats, Publicity; Ben Thulin, Property Manager and Scene Painter and last but not least, the Costumers, Mrs. L. B. Wells and Mrs. L. C. Mahoney.

"THE FAMILY PAINTER"

Because of the keen competition to which the painting and decorating trade is subject, we very seldom have an opportunity to refer to our "family painter" as we do the "family doctor." The average painter is here today and gone tomorrow. Our record of over forty years service in the village is indeed an enviable one, and indicative of the quality of work we have done for your fathers and are now ready to do for you. We may truly be called "The Family Painter."

THE REPAIRING OF FORD CARS

Should not be entrusted to the ordinary garage. The proper place to take a Ford for repairs is to a Ford Service Station.

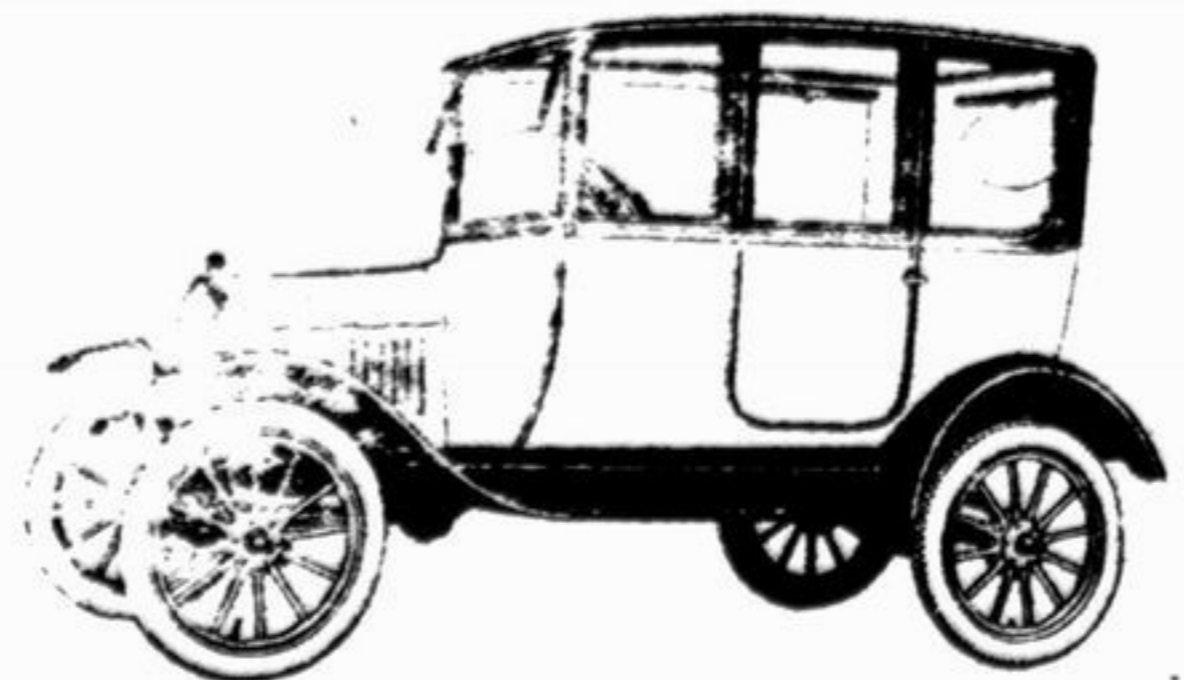

"REAL" FORD PARTS

When you go to a Ford Service Station you are sure that Real Ford Parts will be used for replacements and not parts made by some other concern to fit the Ford car.

SERVICE — PRICE

Two other factors are Service and Price! Both are regulated in a Ford Service Station to a nicety. You get REAL service and the price is fixed to be fair to you. Come in and let us demonstrate.
