CANDIDATE FOR THE REPUBLICAN NOMINATION FOR STATE

REPRESENTATIVE 41st Senatorial District

Primary Election Tuesday, April 11, 1922 Will and DuPage Counties

I was born on a farm in Frankfort Township, Will County, and lived there all my life with the exception of five years spent teaching in the public schools of the county. I have been connected with the Farm Bureau movement since

its inception, and for the past four years I have been president of the Will County Farmers' Institute. I have always allied myself with the forces of progress and Christian citizenship, and as School Director and School Trustee for many years, I have been in close touch and sympathy with every movement for better schools.

I stand for economy in public expense; an equitable system of taxation; a rigid enforcement of the eighteenth amendment; more stringent laws for the suppression of crime; a practical hard roads program; progressive school legislation and a proper encouragement of agriculture.

I respectfully solicit the support of all Republican voters of the
