Crown Stoves

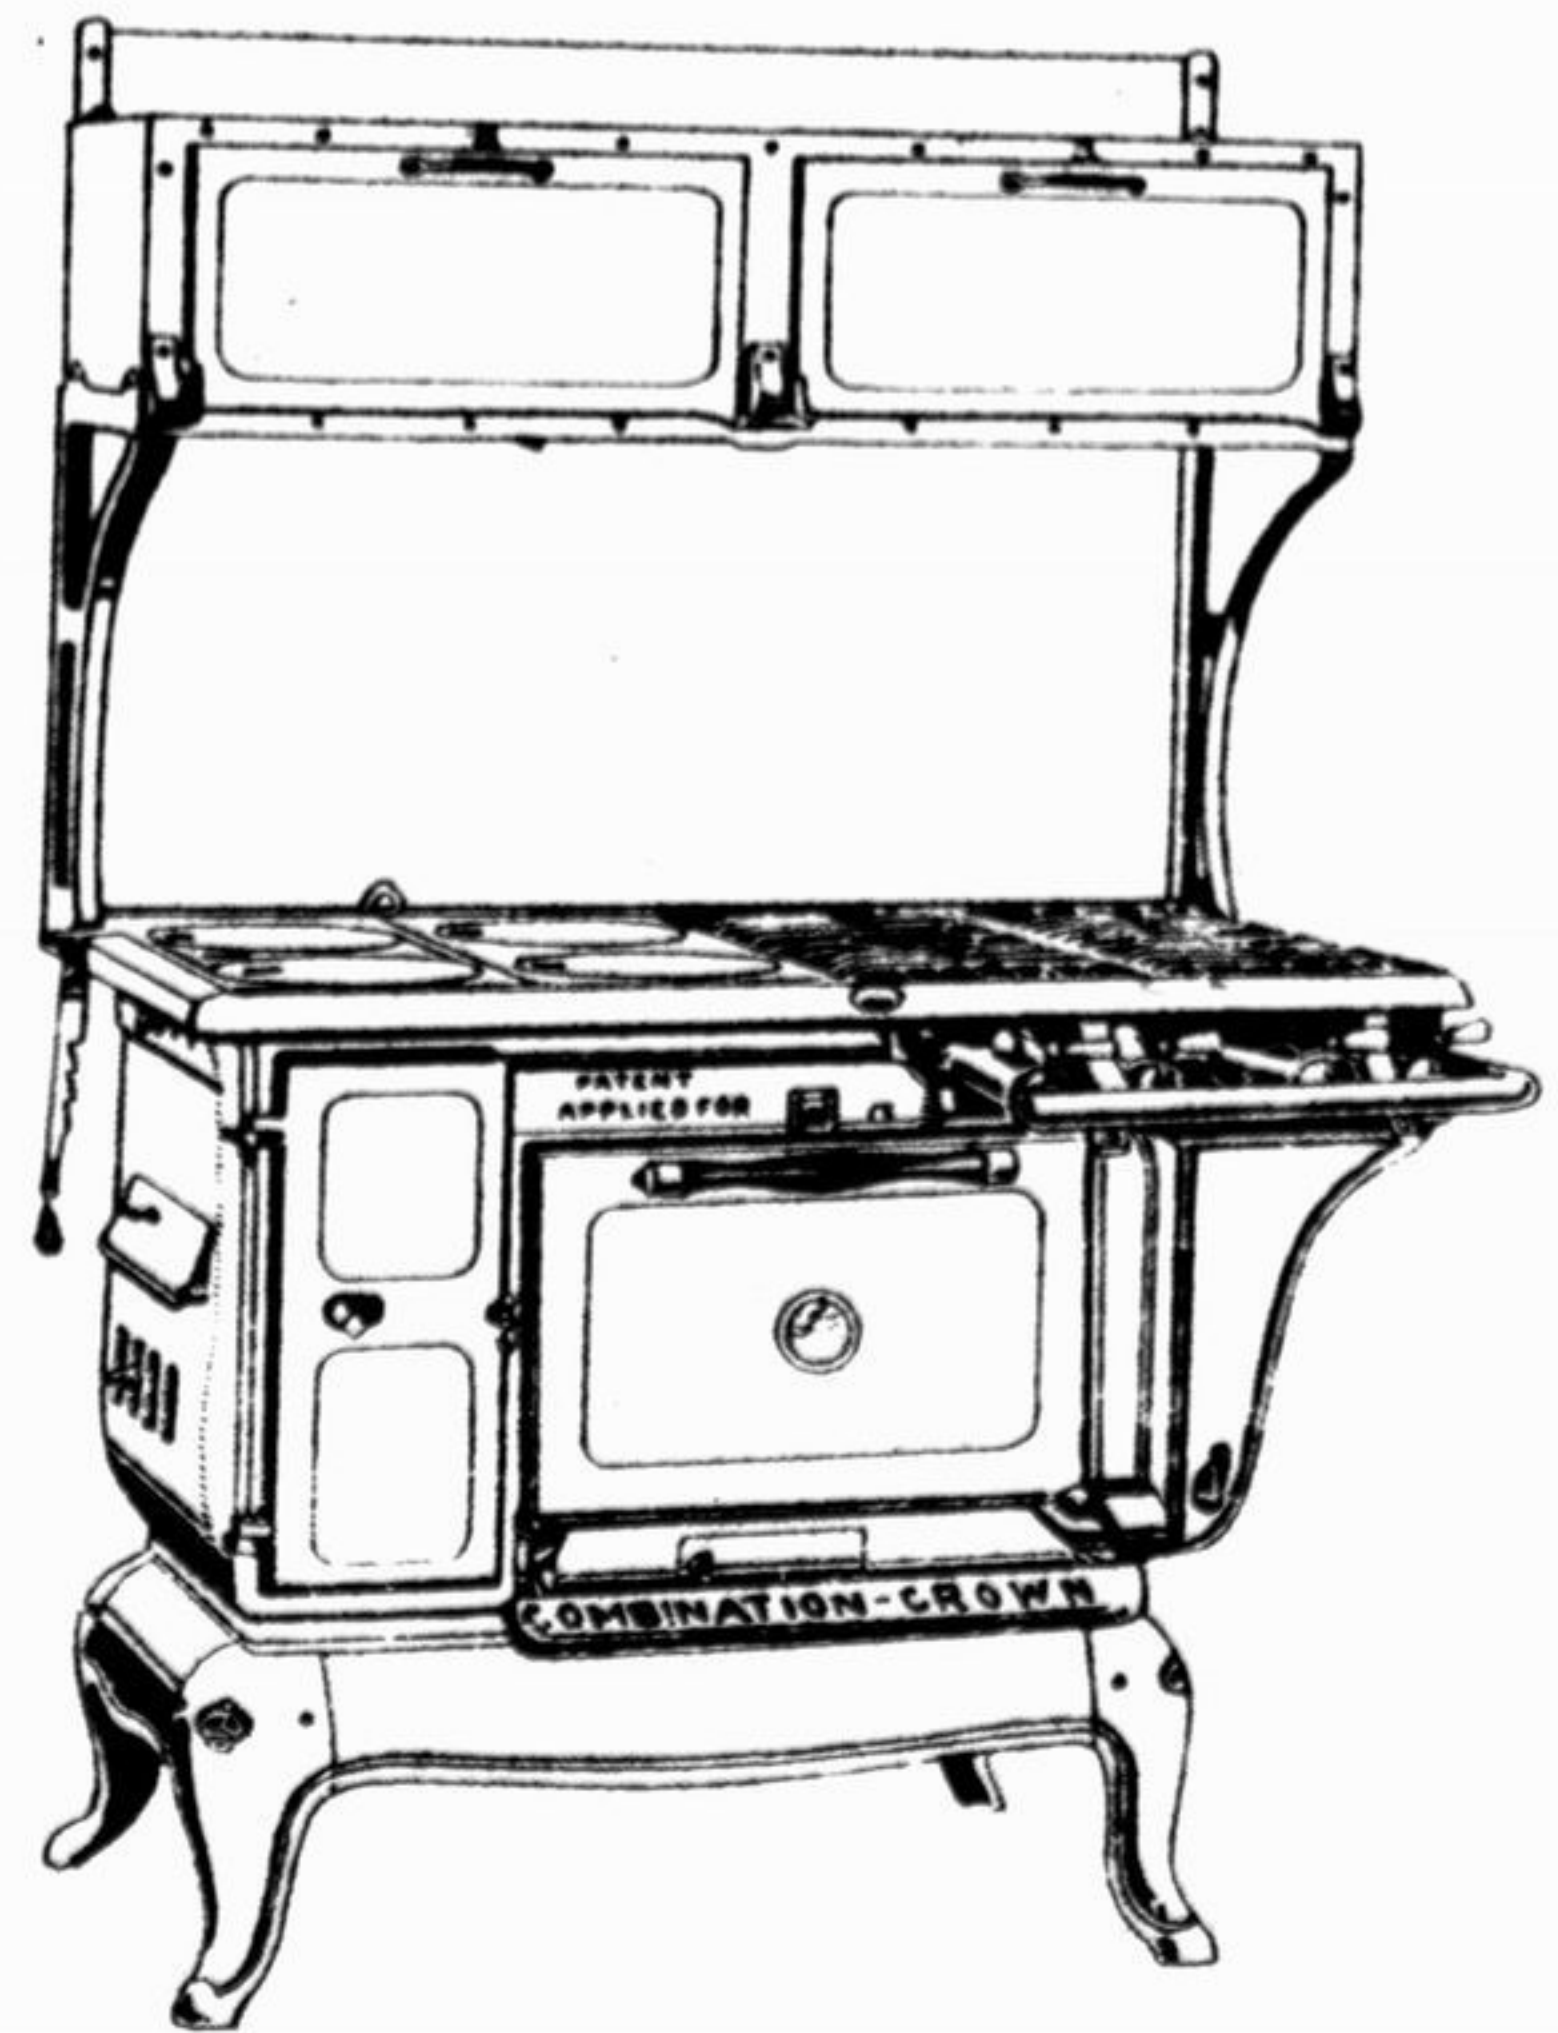

The Best Buy On the Market

WHITE PORCELAIN GAS RANGE

Crown Stoves are made from "Armco" rust-resisting iron. The workmanship is the best, the materials entering into their manufacture are all the best on the market.

When you buy a Crown Stove, either gas range or combination gas, coal or wood, you are buying a stove that will last a lifetime.

COMBINATION GAS AND COAL RANGE

Let me call on you and tell you of the many superior advantages of the Crown gas and combination ranges over any other makes. Considering price, they are the best range on the market. Make an appointment today.

Klein's Cash Market

Announcing Our Artificially cooled Display Counters

We have now installed in our meat market two display counters, artificially cooled, to further our desire to serve the Downers Grove buying public in the most efficient manner we possibly can.

These counters are the latest thing in marketing meats to the buying public.

By this improvement we can display our meats during the hottest days of summer without fear of contamination or other nuisances.
