

# COMMUNITY WEEK-END SALE

Right now is the chance of a lifetime to step into any of the stores advertising on this page, and secure good dependable merchandise for a fraction of its worth. A backward season has left nearly every dealer overstocked and with spring just around the corner, room is needed to take care of the new stocks. What we lose in profits will be more than made up in the friendship we shall gain of those who buy at these special prices. Come in and see what these sales mean.
