HEALTH PROMOTION WEEK MAY 7th TO 13th

May 7th to 13th are the dates proclaimed by Governor Small as Health Promotion Week. Mrs. Collins Goodrich, President of the Household Science Department of DuPage County, will give her active support toward the success of the occasion. Parents-Teachers Association will be asked to participate in the entire program.

Friday has been set aside as School Children's Day. The inculcation of healthful habits in children result in far-reaching and permanent benefits. Schools are often centers from which epidemics sweep over the entire community. Efficient public health service among the children is manifestly of primary importance.

PRECINCT COMMITTEEMEN FROM DOWNERS GROVE

The new precinct committeemen of the local precincts are, Harold Clarke, Frank Duncan, Henry Dicke and either Dennis Jenkins or W. J. Staats. These two ran 28 votes each in their precinct and it will be up to the canvassing board to decide.

The only real fight in town was in the Tucker Real Estate office precinct and here Henry Dicke swamped M. W. Mills almost three to one the vote being 101 to 32.
