 The program closed with the singing of "America" by entire school.

Quite a number of our grammar grade students were present at the Music Memory Contest held at Orchestra Hall on last Saturday.

Our representatives in the contest were Samuel Dum, 8th grade; Maude Haller, 8th grade; Evelyn Mochel, 8th grade; Eva Pollock, 8th grade; Irene Purcell, 7th grade; Betty Morgan, 7th grade.

The score was played by the "Chicago Symphony Orchestra. The team representing New Trier High School received the highest rating among the contestants.

For the remainder of the school year no hot dish will be served at the school noon lunch. On rainy or cold days, however, when a large number stay during the entire noon hour, a warm dish will be on the menu.

Mrs. Ward, chairman of the educational department of the Womans Club, spoke to the members of the American History class and was present at the hanging of the beautiful picture, "Washington's Monument," the gift of the Womans Club, one day last week. She also addressed the English IV. Class, telling them of the prize offered by this same organization for essay work.

Miss Larson's 7th grade pupils will visit the Field Museum on Thursday. A number of mothers assist Miss Larson in conducting these educational trips.

Mrs. Ramsey to Continue Series of Talks to Women on Citizenship Responsibility

Mrs. Ramsey, of Chicago, will continue her series of talks on "Citizenship" at the next meeting of the local League of Women Voters to be held at Library hall next Tuesday afternoon, April 25.

This is the fourth time Mrs. Ramsey has talked to local women and each has been more interesting than the one before. It is hoped by those in charge that a large number will be present to hear her.

Let me assist you in selecting the color scheme for that new home. Proper treatment of walls is essential.

Expert advice on harmony and contrast is sometimes needed.

The Reliable Buick Transmission Is a Feature of the Buick "Four"

The same quietly operating, dependable transmission that has been so pronounced a feature of the Buick Six, is employed in the Buick Four. The design is the same—the quality is the same—Only in size is there any difference.

Every part of the remarkable line of Buick four-cylinder cars is as distinctly Buick as if the name were stamped upon it.

And back of every Buick car is the skill and experience of 20 years combined with unparalleled manufacturing equipment facilities.
